Judy—

Well... it's been a hard year but a good one, too. We have had alot of good times, haven't we. For instance the homecoming nite when we had more booze than we knew what to do with. We did manage to get rid of it though. Also the time over at Judee Berg's pad when we had that wasted, not-qut wine and you got ill. I wish to thank you at this time for all the things you gave me like the sweater I still owe on and the use of your equipment for the J.S. and innumerable cigarettes and the loans, too. You all right and you sure don't live up to the reputation of the Jews as you certainly aren't stingy in the least. I hope you are able to land Jerry or whoever you want.

Be good and stay the way you are, "Judy the J". I hope to see you during the summer. Remember you said that you would be my bridesmaid.

Jan

Judy: It's been so nice having you with me in H.G. I don't know what I'd do if you didn't tell me what happenings. Have a joyous summer vacation "Stay a good little girl"

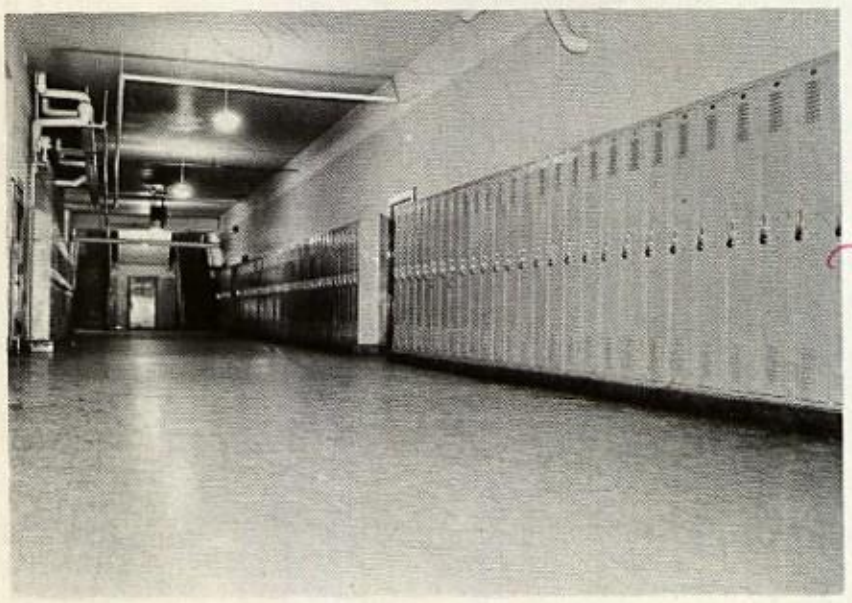
FACULTY 7

SENIORS 21



ACADEMIC LIFE . . . .

FOREWORD . . .

Themes are hard to choose . . .
Try it once!
We fight and disagree (but that's democracy)
We compromise . . .
And find all our ideas
Combine into one
And "look back."

An empty class . . .
And on the board a "Goethe"
Sculptured in chalk
By a careful hand,
The fire drill instructions
Flanked by a lesson on Ivanhoe.
The flag, our dear flag,
The dusty one but still well-loved . . .
The initials on the desk
From ours and generations past.

The folding seats (they squeak)
So our elders say . . .
Meticulously placed row on row,
The lighted stage,
The final address,
Words of wisdom and guidance—
"America is in your hands . . ."
Swinging tassels,

The click and the clomp of heels,
The long walk on the stage,
And the parchment.

Lockers, row on row,
Did you ever drop a book?
Up the "down" stairs . . .
Down the "up" stairs . . .
The sudden jangling of the bell —
Hurry, hurry to the class.

I wait for the curtain to open —
A new performance to begin —
But with other actors and new talents . . .
Will you ever be a star?
Oh, how many the old rafters have seen.

Touchdown — called back . . .
Field goal — one second to go . . .
Hurrah!
City Champs. Winners this — winners that.

Did you ever see an abominable snowman
Without a bit of snow?
I see her cry . . .
Yet she is now the reigning Queen.
Good-bye.
Some day we will look back again.
Good-bye.

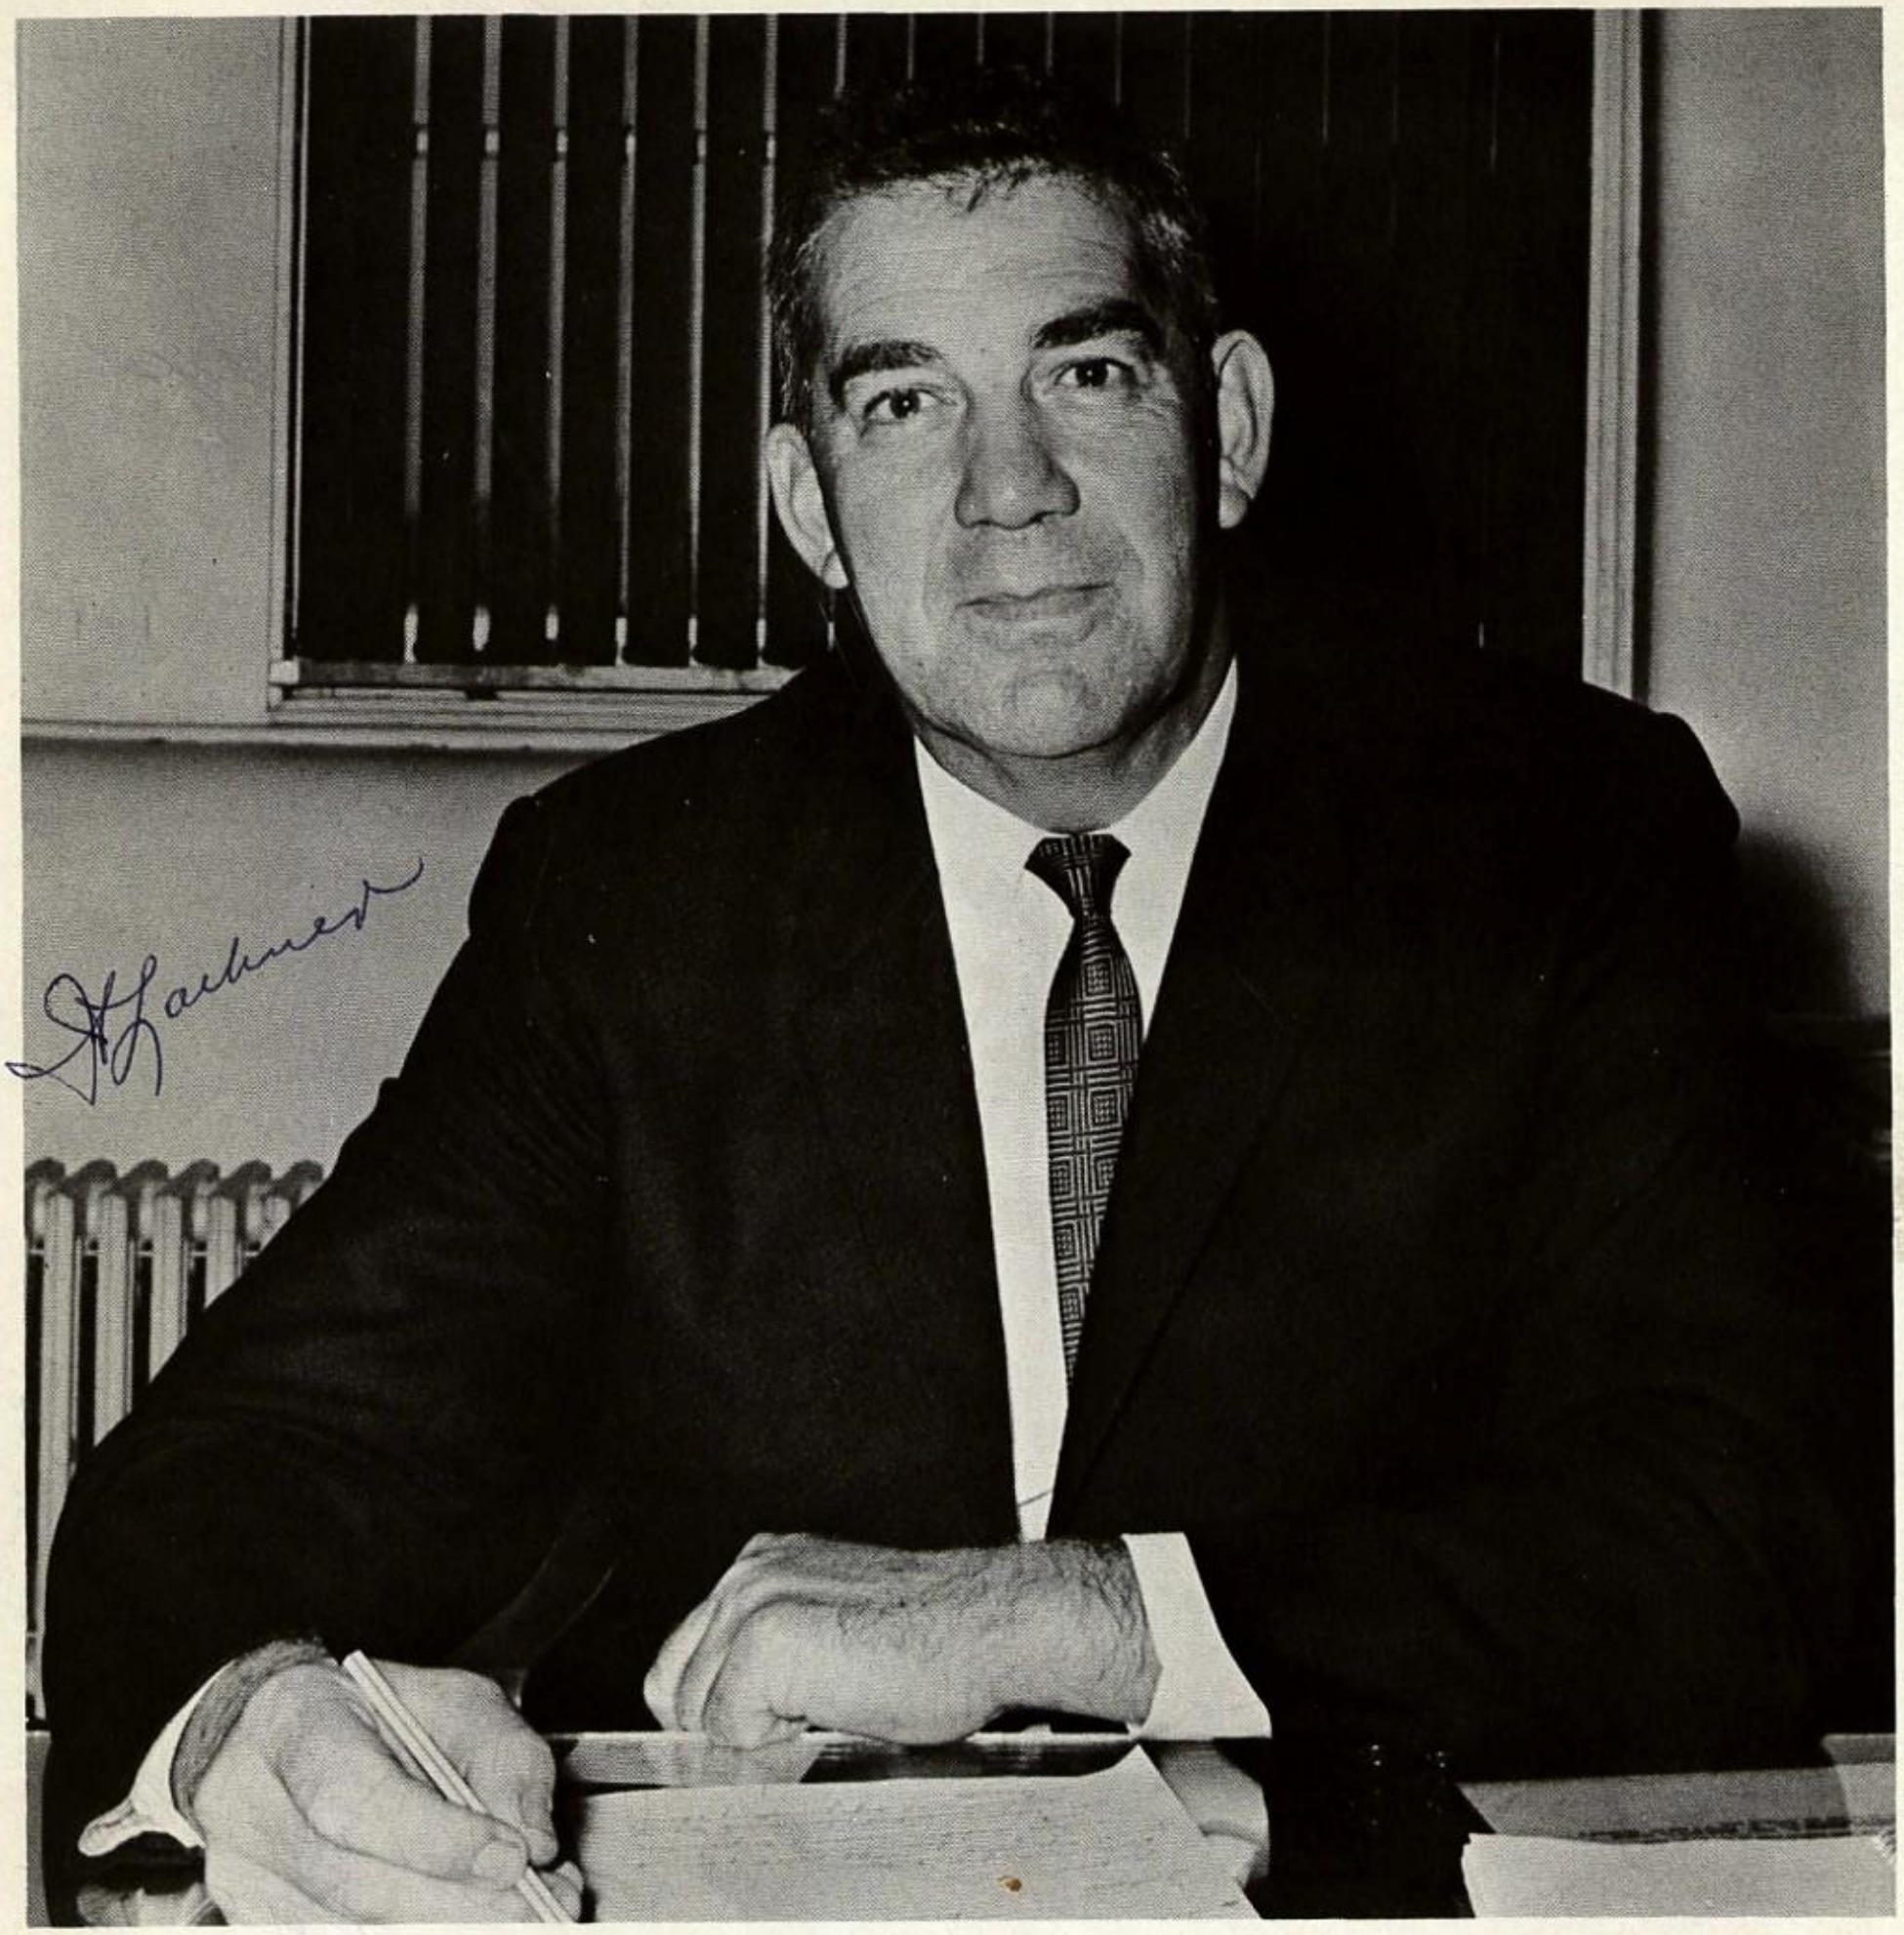
ADMINISTRATION . . .



The CEHISEAN theme, "Looking Back Into the Past," reminds me that one's hindsight is usually better than his foresight. It is my hope that your glance backward will show maximum use of the educational opportunities you experienced during your high school career. Looking ahead, your foresight can remind you that your education is never really finished and prompt you to make effective use of your future opportunities.

This CEHISEAN permanently records the events and activities of your high school career. May it also record that these activities have made significant contributions to the broad citizenship goals of Central High School.

For the graduating seniors the yearbook symbolizes a form of farewell. With this in mind the faculty extends to each of them a warm "goodbye" and best wishes for the future.

J. T. LACKNER
Principal

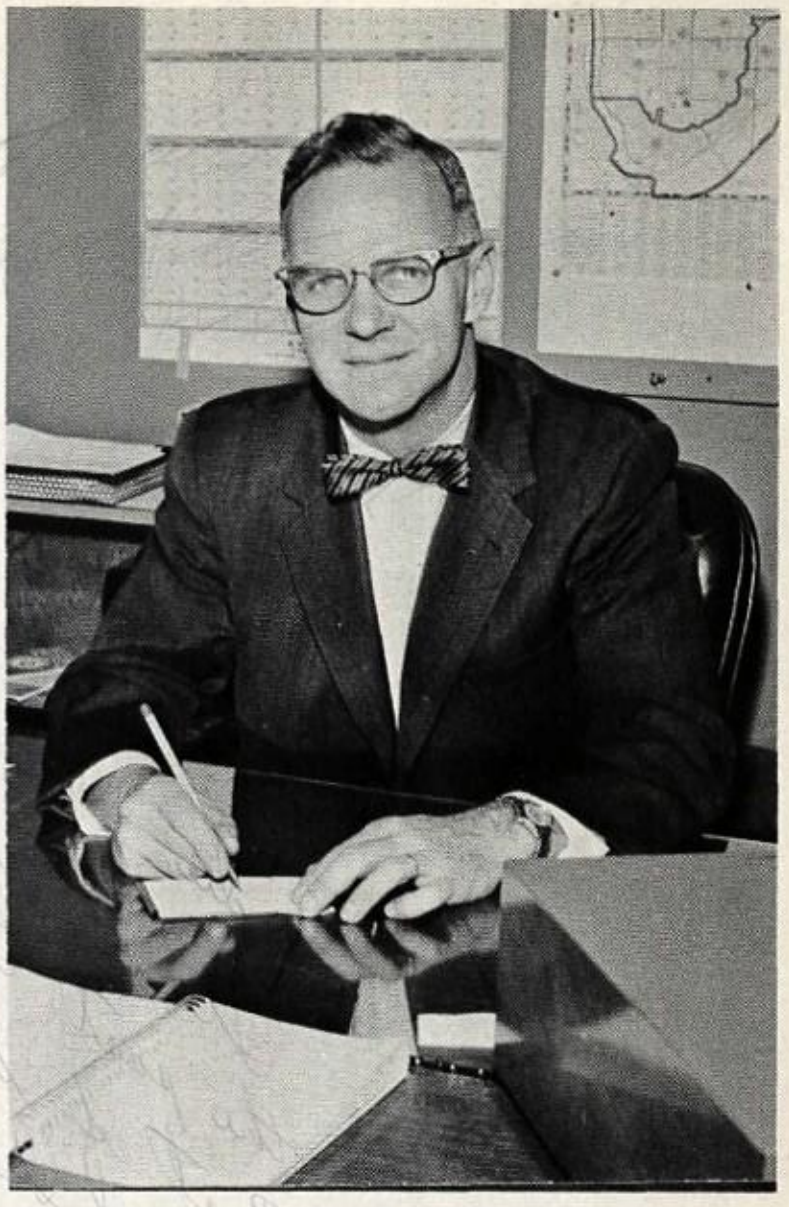
As graduating seniors, you would probably like to know a little more about the school in which you have spent the last four years.

In 1910 the present structure was erected. At Tenth and Minnesota Streets the original Central High School was built in 1833. At present Central his sixty-six classrooms plus the study hall, gymnasium, auditorium, library, offices, and cafeteria. It is supervised by a total of eighty-eight teachers and kept in working condition by twenty-five people on the custodial and cafeteria staff. In addition to our administration staff, which consists of Mr. Lackner, Mr. Sargent, and myself, we have three efficient office workers and four couselors who are always willing to help students with their problems.

But the most important part of Central is the student body and especially you, the graduating class of 1961.

P. O. CARLSON
Assistant Principal

Thanks for all the swell times we had Pen-I-
Phil Carlson



The approaching conclusion of a school year gives one an opportunity to evaluate with perspective, the work of the year — how one has grown, where one has fallen short of expectations.

For most students, this view of one's self can reveal the corrections that must be made in order to take greater advantage of the unique opportunities provided by the public school and its faculty.

For seniors, this understanding of one's strengths and limitations provided the framework for adult plans and ambitions.

It is the sincere hope of the Central faculty that your school experience has given you a maximum vision of your promise and your responsibilities as a maturing citizen in a world community that will expect the very best of each of you.

J. C. SARGENT
Assistant Principal

Best wishes

Reflections of the Senior Class . . .

It was just a short time ago that we came to CHS as green freshmen and sophomores. Like most other underclassmen we were scared and uneasy at all the newness — especially, the huge building. Today we look back at those first days and feel mused. CHS has an altogether different meaning to us now. It has grown to be a part of us, which we will miss greatly. Our senior class play, "The Honorable Creighton," the operetta "Oklahoma," the exciting school dances, the many tough assignments and tests we managed to survive, and those football, basketball, hockey and baseball games. With these memories and the knowledge of understanding, education, and human fellowship, which will be an asset to us in the future, we the senior class of 1961 close the doors of CHS behind us.

Sincere thanks and appreciation are expressed to Mr. Ausemus, our advisor, and to Mr. Bergstrom, our counselor, for their help and guidance in our years at Central.

JUNIORS

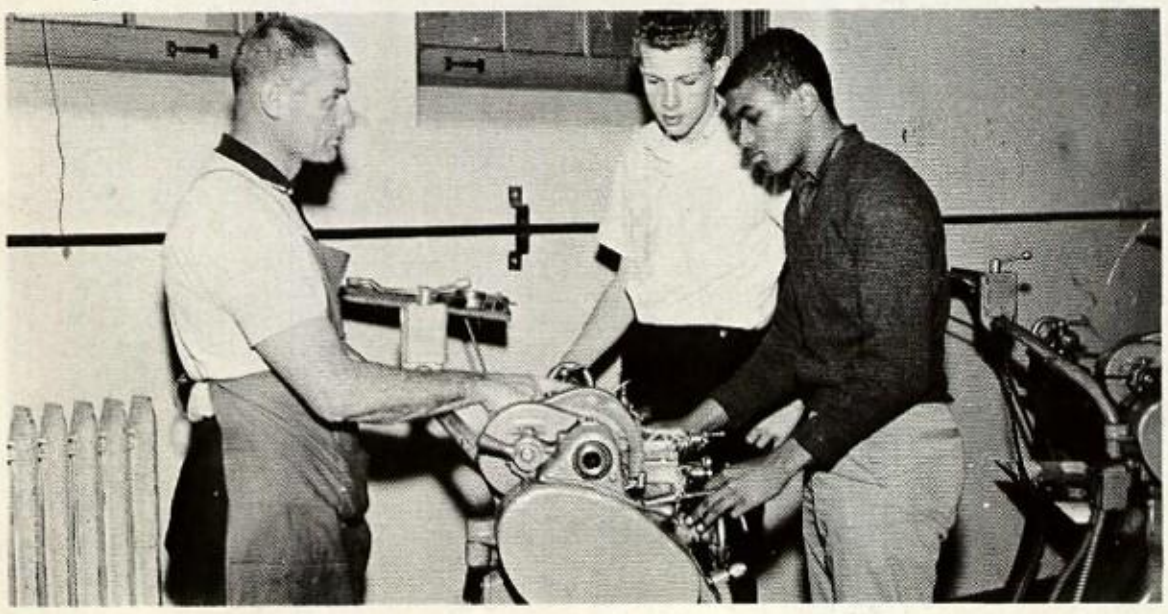
MR. T. CURTIS
Junior Class Advisor

The excitement of being upperclassmen accompanied the class of "62" as they entered Central in the fall. Everyone turned out to vote for class officers, and the busy year began. Preparations strated immediately for the year's activities with a money-raising car wash.

In December an enthusiastic audience proved with their applause that the Junior Class play was a real success. Junior Essays, Girls' and Boys' State, and the receiving of class rings followed in rapid succession, and before long the wonderful junior year was almost ended. The end of the year brought the biggest event for the Juniors which was, of course, the Junior-Senior Prom. As usual it was a big success. Thanks to the able guidance of Mr. Curtis, advisor of the Junior Class. This year will long remain in the pleasant memories of the class of "62".



Industrial arts, an area often underestimated, is an integral part of academic life at Central. It can be carried into the upper classes through the advanced industrial arts courses as depicted here. It is taught by Mr. Ted Sauer.

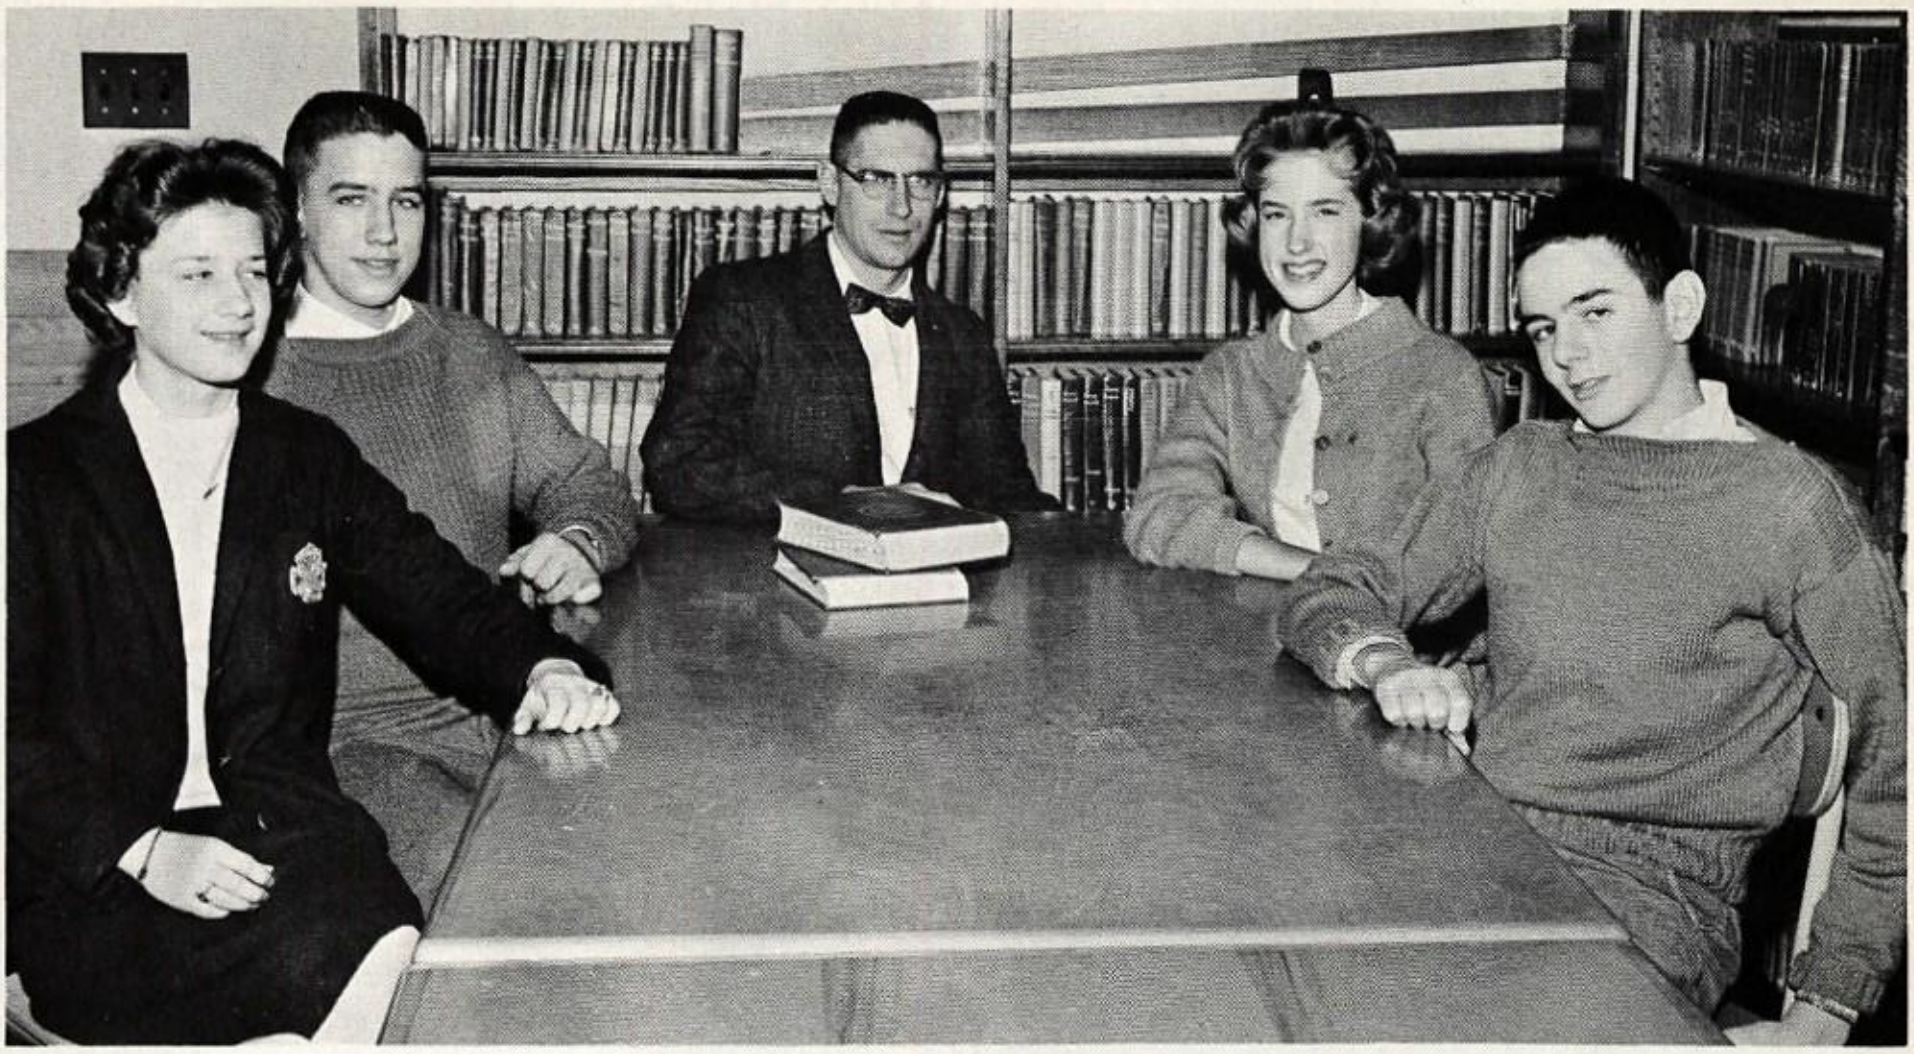
One of the many subjects offered to Juniors is Physics. As shown in this picture, learning can be educational and fun through work in the laboratory. Here a College Physics class under the direction of Mr. Brett learns about motion and other fundamentals of physics.

. . . SOPHOMORES



Class officers L. to R. Linda Brown, Secretary; Vince Anderson, Treasurer; Mr. Dunckel, Advisor; Sally Quast, Vice-President; Joel Mahle, President.

The Class of '63 settled down to business after the problems and frustrations of their freshman year. Aside from initiating new freshmen, welcoming new class members, and studying intently, they elected Joel Mahle, President; Sally Quast, Vice-President; Vince Anderson, Treasurer, and Linda Brown, Secretary and planned a successful sophomore Sweetheart dance.

The important position of class advisor to the Sophomore class is held by Mr. N. Dunckel, who teaches in the math development program.

Study hall offers these sophomores a chance to catch up on the homework they missed the night before. This particular group is studying for one of Mr. Therrien's terrifically hard French tests.

FRESHMEN

The senior class of "61" wishes the best of luck to the senior class of "64". Looking back, we recall — shyness in making acquaintances — the strict silence of homeroom — the beginnings of many joys, loves, and sorrows — the fear of being tardy — the hush of study hall — conscientiousness toward assignments — uneasiness during the first week and the gradual relaxation during the year — looking up both physically and mentally to upperclassmen — and the difficulty in finding classrooms. — How well we remember!

Homemaking is emphasized in the life of many new freshmen as some of them have their first experience trying to sew a straight seam or pin up a hem. Here one class of girls is trying their skill at making some home-made Christmas gifts. Not only do these sewing projects save the girls money, but they give them a sense of accomplishment.

Purpose of Extra-Curricular Activities

In extra-curricular activities we experience some of the most important memories of high school. Here the students have a chance to become more well-rounded individuals. In the clubs the students hrave a chance to meet new people and to gain many new interests or to extend their old interests. In the plays and musicals the students can learn whether they have the talent they think they have. Extra-curricular activities fill in th gap that is left when the students have nothing to d but schoolwork. Central can really be proud of he extra-curricular activities, and we give many thanks t the advisors whose expert guidance has made the ac tivities what they are.

STUDENT COUNCIL

The student governing body of Central is one any school could be proud of. The larger body is composed of elected representatives from each homeroom and is known as the Student Council, while the smaller group, the Executive Council, is chosen by and from the homeroom representatives.

Charity drives, sponsorship of American Field Service students, Homecoming and Sno-Day are just a few of the functions which the Student Council ably performs.

But perhaps its most important function is to give to its members the opportunity to develop leadership qualities and to practice democratic principles.

On the left is Mr. Ausemus, advisor, and on the right, Peter Renstrom, President.

The girls' largest project is contributing $150. every year to support an orphaned child in Europe. Central has every right to be proud of this fine service organization and its faithful, hard-working advisor, Mrs. Conant.

FUTURE BUSINESS LEADERS

These students are preparing early for their future lives. They go to school in the morning and have "on the job" training in the afternoon. In this way they are ready to enter the business world immediately after graduation. One of their projects this year was a fund-raising activity in which they sold candy.

Pep Club is the peppiest club in the school. Its members can be heard at games, assemblies, and before-school rallies, enthusiastically shouting cheers. At Homecoming the members sold Pompons which were waved wildly, at the crucial moments of the games and brought the spirit for the winning point. This year two of Pep Club's projects were making contributions to Central's band and to the Minutemaids for uniforms. Thanks certainly to the Pep Club for promoting so much enthusiasm at all the athletic events. They have given our teams the spirit and support that they need to carry proudly the name of Central High.

CHEERLEADERS . . .

The spirit of the school this year was led by the enthusiastic cheerleaders who helped to cheer our teams to victory. The cheerleaders are a group of nine girls, eight regulars, and one alternate, under Pep Club. They were up with the styles this year with their new culottes and also new were their acrobatics. The hard work these girls put forth - practices, making uniforms, ticket sales, and many others - really lifted our school spirit and was much appreciated.

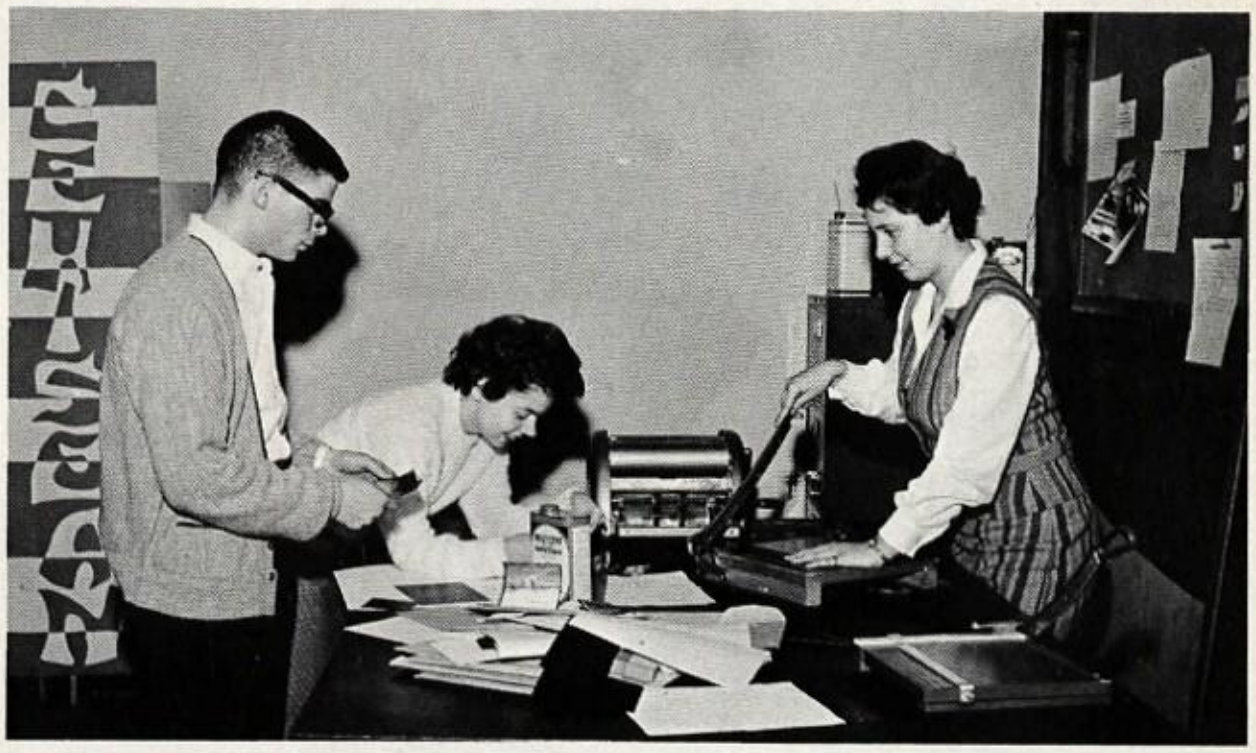
The Cehisean staff is responsible for the school's year book, the Cehisean. The word Cehisean stands for Central High Senior Annual. Many, many long hours and much effort go into the creation of the annual. Imagination, creativity, and journalistic ability are some of the qualifications necessary for a staff member. The members try their best to produce a year book that will please and satisfy every member of the student body. At the right are some of the staff looking at pictures, cutting blacks, and gluing.



WORLD STAFF

The world staff is in charge of the publication of our school's original literary efforts. This staff has the terrific job of reading through all literary or artistic contributions submitted by the students and deciding which of the many wonderful submissions to use. Since all students may submit their efforts, they have a really big job. They always come through with a great work, though, and we thank them for it.

Barb Leaf, Susan Kryewinske, Gary Levin, Debby Bixby, Doylene Tittle, Mr. Klawitter.

The Times Staff is one of the most important organizations at Central. This group of students does a wonderful job of keeping us up to date with school events, sports news, and current events. Although many of these hard-working students can work during sixth period, others must give up valuable extra time to bring you news of your school. However, they have a good opportunity to learn the work that goes into putting a paper together, so the time is well spent. We certainly owe a big vote of thanks to these students for doing such a good job in keeping us up with the times at Central.

This group is very valuable to the student body. Selected because of their ability in their classes, they are well able to give constructive criticism to the Times Staff so that we, the student body, will have a really good school paper. They also offer suggestions as to what they think the student body wants in the paper.

. . . Y-TEENS

The Y-Teens are under the direct supervision of the Y.W.C.A. These groups of girls are striving to build an international fellowship of women and girls, dedicated to the task of achieving in their common life those ideals of living to which their faith commits them. Each group has service projects and lots of fun, for example: preparing a basket of food for a needy family at Thanksgiving or Christmas time, making favors for hospitals and homes for the aged, Christmas caroling in these same places, and sponsoring hayrides, pow-wows, and dances. All the Central Y-Teens groups joined in the fun of an inter-school banquet and style show as well as a basketball tournament. Here the girls get a chance to combine with the other Y-Teens groups and exchange news and friendship. In November, the Y-Teens from all over the city joined together and sponsored the annual Twilight Twirl dance which was a tremendous success.

Central has the distinction of having organized the first Hi-Y chapter in St. Paul in 1915. The purpose of this organization, a branch of the Y.M.C.A., is "to create, maintain, and extend throughout the home, school, and community, high standards of Christian Character". The Hi-Y's sponsor dances after the games, plus hayrides and parties. Each group tries to have a basketball team for inter-group competition. The parliamentary procedure used by the boys gives them experience in running a democratic government. Each year the boys sponsor a candy sale for World Service, a 55-year-old organization. The money is used to expand the Y.M.C.A. movement in 78 countries. The motto, "Help the people to help themselves", is carried out by sending American specialists to teach in the Y.M.C.A. agricultural schools abroad.

PURPOSE OF MUSIC AND DRAMA ORGANIZATIONS

Every extra-curricular activity at Central plays an important role in making the students well-rounded. The plays, the operetta, assemblies, and speech activities are all under the organizations as Speech Club, the Choirs, bands, and orchestra. The ultimate goal of these departments is to put into practical use the things the students have learned during the class day. Many hours of after-school practice are put in before the final tests are given - the clear note of a brass, the sharp ting of a cymbal, the pert marching cadence, as the band marches on the green turf from goal to goal - the crucial moment at the turning point of the play when the inflections of the leading voices make or break the drama.

"A" BAND . . .

FLUTES: Carol Ehrlich, Carol Heldt, Madelyn Wells, Marjorie Young. BB CLARINETS: Lee Allen, Laird Anderson, Mike Crane, Lois Duffina, Barry Evans, Marshall Goldish, Jean Howard, Lynn Hunt, George Luecke, Richard Rice, Bob Rowell, Christine Rudberg, Kay Williams. BASS CLARINETS: Kathleen Dahl, Joyce May. ALTO SAXOPHONES: Paul Crane, Jane Flad, Alvin Woll, Richard Wright. TENOR SAXOPHONE: Merlin Hirschorn, James Marvy. BARITONE SAXOPHONE: Nathan Perlman. FRENCH HORNS: Michael Blehart, Stephen Kaufman, Bob Rohland.

Everyone at Central certainly is proud of our band. The members of the band do a lot to raise school spirits at football games and at pep assemblies.

This year the annual Band Concert was held in March. Mr. Stanley Bulka is the Band's director.

An undisciplined moment of our disciplined band. I guess some people need strict privacy in order to play their best.

A melodic offshoot of Mr. Bulka's babies.

. . . "A" BAND

CORNETS: Jerry Abrahamson, Stephen Colestock, Lee Du Bois, Joe Fay, Bruce Glassman, Jerald Johnson, Dave Lillquist, Dave Lundberg, Steve Rubin, Tom Thompson, Bob Weinstine, Douglas White, Bob Wilson, Tom Winter. . . . ORCHESTRA

Although the orchestra is small, it is important. The orchestra plays for such functions as the A Choir operettas each year. Without its support the operetta would not be nearly as effective. The orchestra is also under the capable direction of Mr. Bulka.

VIOLINS: Gloria Sommer, Elizabeth Engelhardt, Marianne Engelhardt, Peter Holliday, Bob Kadera, Dora Schwirtz. CELLOS: Arnold Peterson. FLUTES: Mary Jo Schutz, Tom Schott. CLARINET: Jerry Ingber. PIANO: Judy Mahr, Leslie Nins, Vincent Wagner, Ila Winn.

The A Choir is under the direction of Miss Arlys Denzel. Mrs. Sawyer is her assistant whose job it is to keep track of the choir members and to help relieve their troubled minds.

The A Choir is one of the most outstanding choirs in the Twin Cities. Hundreds of people have been thrilled by the choir's performances. At Christmas time each year, the A Choir presents a moving program of Christmas music. The music show, "These Things Shall Be", held in January, was a big success.

SENIOR ENSEMBLE

This musical group composed of seniors adds much to the music department. They take part in many of the musical productions at school and also for clubs and organizations outside of school.

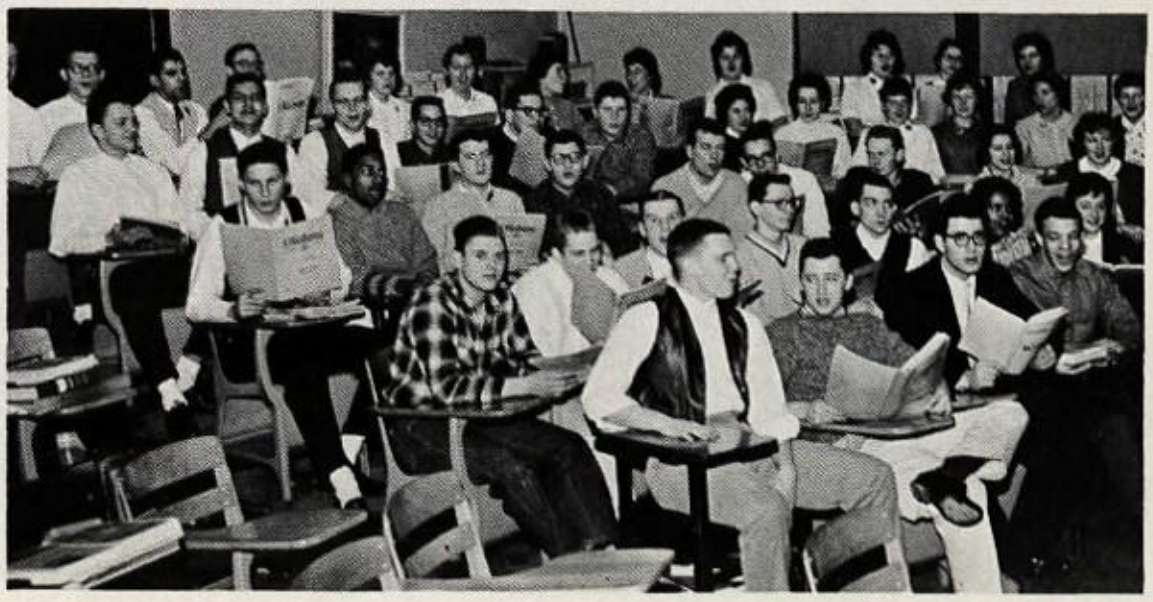
The highlights of the program were the Spiritual Meeting, and the dances of Ching-a-Ping, and Daniel Boone performed by the juniors. The dances were under the direction of Mrs. Rothsfuss, choreographer for the A Choir. The musical play this year was "Oklahoma", given in April.

Not many people realize how much work and effort go into the performance of the A Choir. Every afternoon quartets can be found practicing and rehearsing for future programs in the choir.



These casual singers make up part of the cast of the operetta "Oklahoma." Many hard hours of practice are put into the production of it.

This group of girls is made up entirely of sophomores. This is the place to obtain good training for the A Choir. You learn the proper use of the voice and good vocal techniques. You also practice what you have learned by singing in small groups and sometimes by singing solos. They furnished the music for the Red Cross assembly.

Being in the Speech Club is a very interesting and entertaining opportunity. This club meets to broaden and stimulate the interests of those people who are interested in speech and its related fields. Much is learned concerning debating, extemporaneous speaking, oratory, and public speaking. Many of its members have been successful in a number of interesting debate meets throughout the state. Others have been successful in speech and oratorical contests. The success of many of the assemblies given at Central High School is due to the participation of the majority of the Speech Club members.

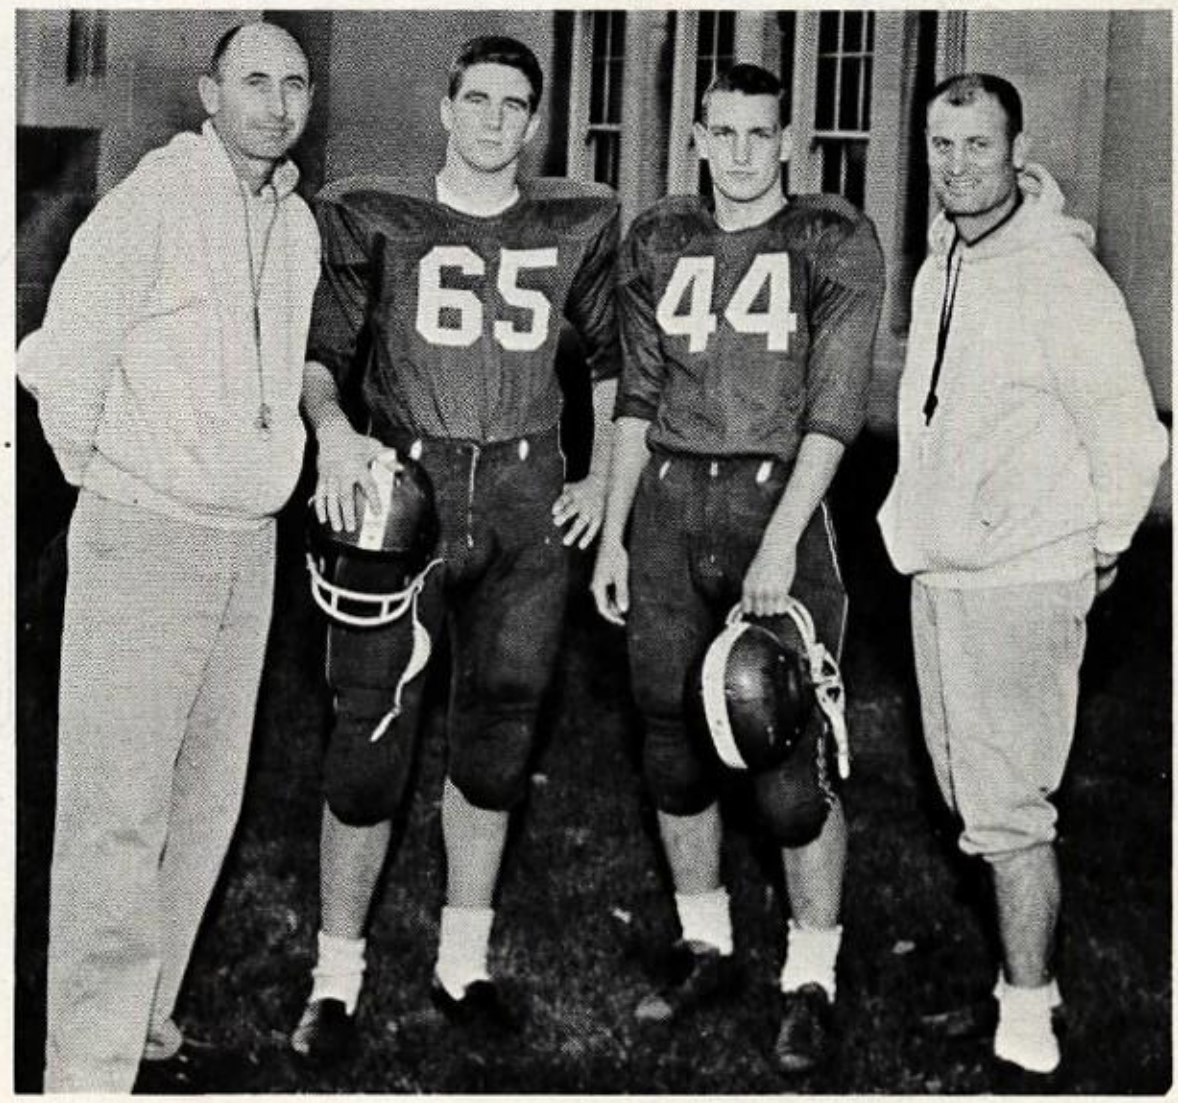
Twin City Game

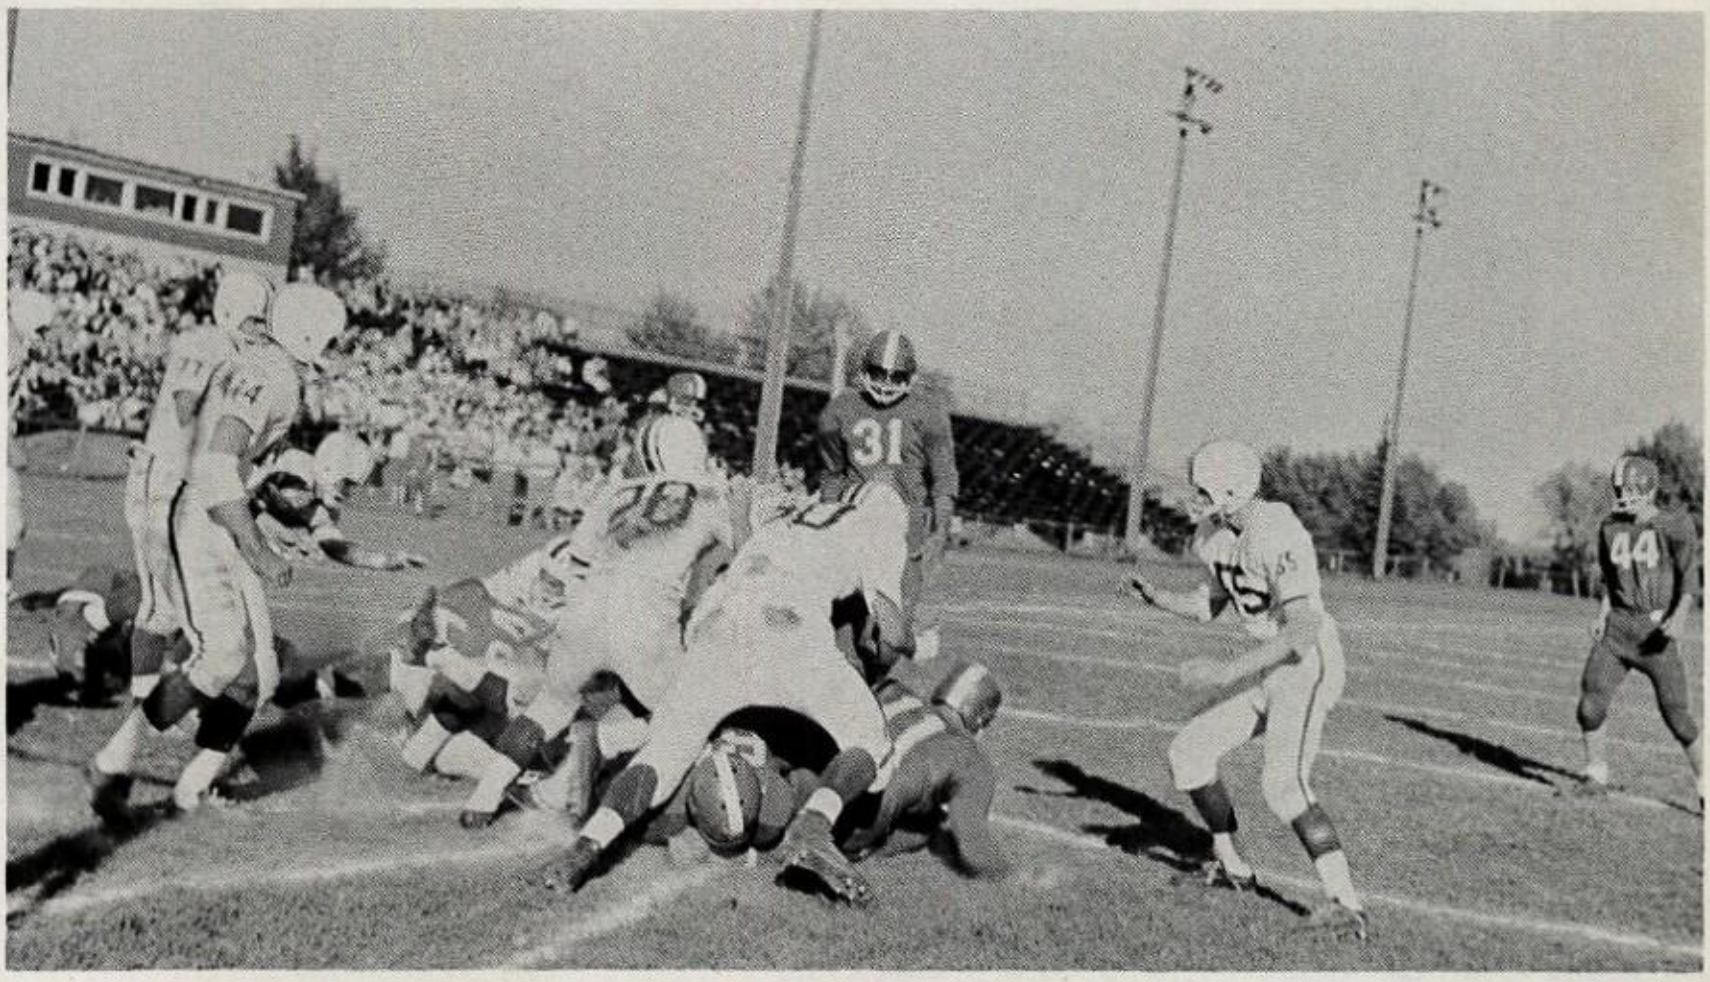
Central	6	Patrick Henry	35



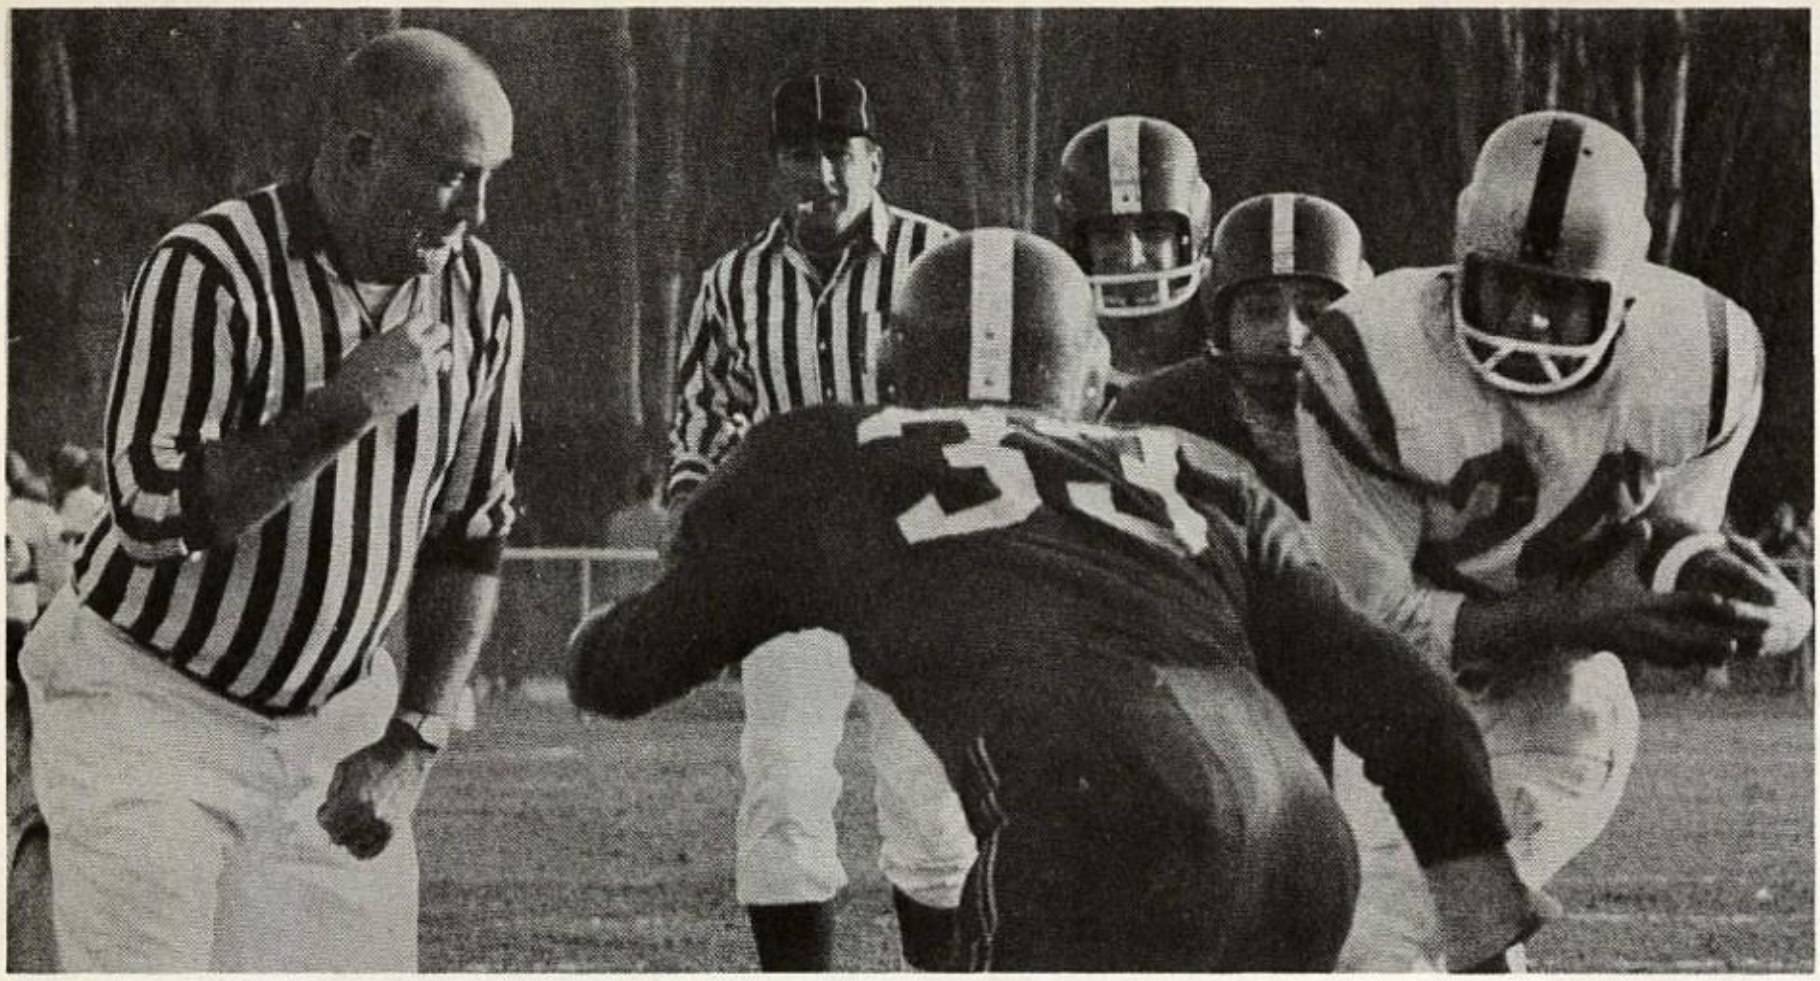
Here is the type of enthusiastic support that helped lead our team to a city victory. The roaring trumpet fanfare, the roll of stirring drums, and the support of the crowd in the stands had a monumental effect on the attitude of our players this year and it is hoped that spirit can parallel ability in future years.

This was the winning combination that helped give Central the city title. Although ultimate success is the product of teamworks, still the team was greatly boosted by the kicking ability of junior George Nelson and senior Tom Barnes' ability as a quarterback. We will regret the loss of Tom Barnes next year, but will look forward to the return of George and other juniors.

ROW 1: F. Lorenz, L. Buford, C. Hickman, B. Lewis, T. Silverman, R. Brown. ROW 2: D. Sweeney, B. Glaesman, D. Smith, L. LaFontaine, T. Barnes, D. Brooks. ROW 3: J. Lefko, Mgr., G. Alm, D. Brown, J. Nelson, L. Hasselberger, F. Flynn, D. Fields, P. Levin, Mgr.



This picture of the Monroe game typifies the caliber of action that was observed by cheering Central spectators during this fall's splendid football season.



B - SQUAD FOOTBALL . . .

Our B-Squad showed a great deal of potential this past season, and this strength is eagerly anticipated for next year's varsity team. We hope to see exciting action such as this crucial moment of the Twin City game, coming from these fine recruits.

ROW 1: B. Kempe, D. Hilstrom, G. Dusell, T. Fabel, V. Anderson, G. Barth, L. Clarity, P. Woseth. ROW 2: J. Hoel, J. Lavan, H. Jones, M. Hill, T. Mangy, W. Cox, B. Zucco, M. Keegan. SENIORS: ROW 1: B. Limoseth, G. Lund, A. Vitols, B. Moore.
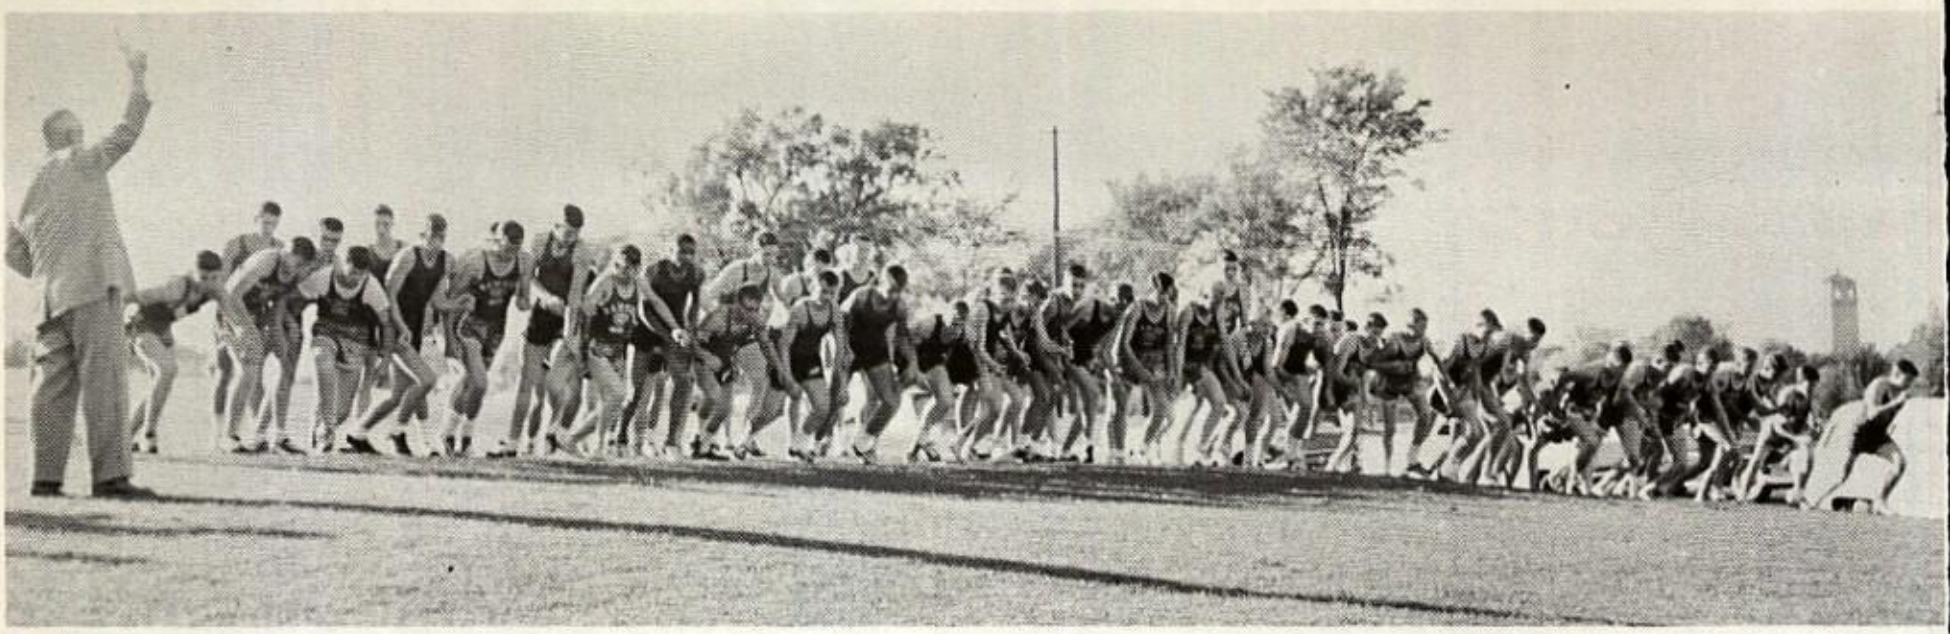
ROW 2: B. Buol, D. Wykes, J. Daggett, M. Conrath.



Do you remember seeing a group of sparsely clad young men running spiritedly around the grounds of Central this fall? This sporting activity is commonly called cross country. The object is to complete this type of exertion before others engaged in this same activity.

In the long run Central made a very good record and emerged as the city conference cross country champions. The team, under the coaching of Mr. Coleman Kelly, was spurred on by such individual players as Glen Gustafson, Arnold Vitols, and Bob Limoseth.

The above boys made up our State Team. ROW 1: B. Limoseth, G. Gustafson, D. Barton. ROW 2: J. Stahl, A. Vitols, D. Wykes, G. Lund.

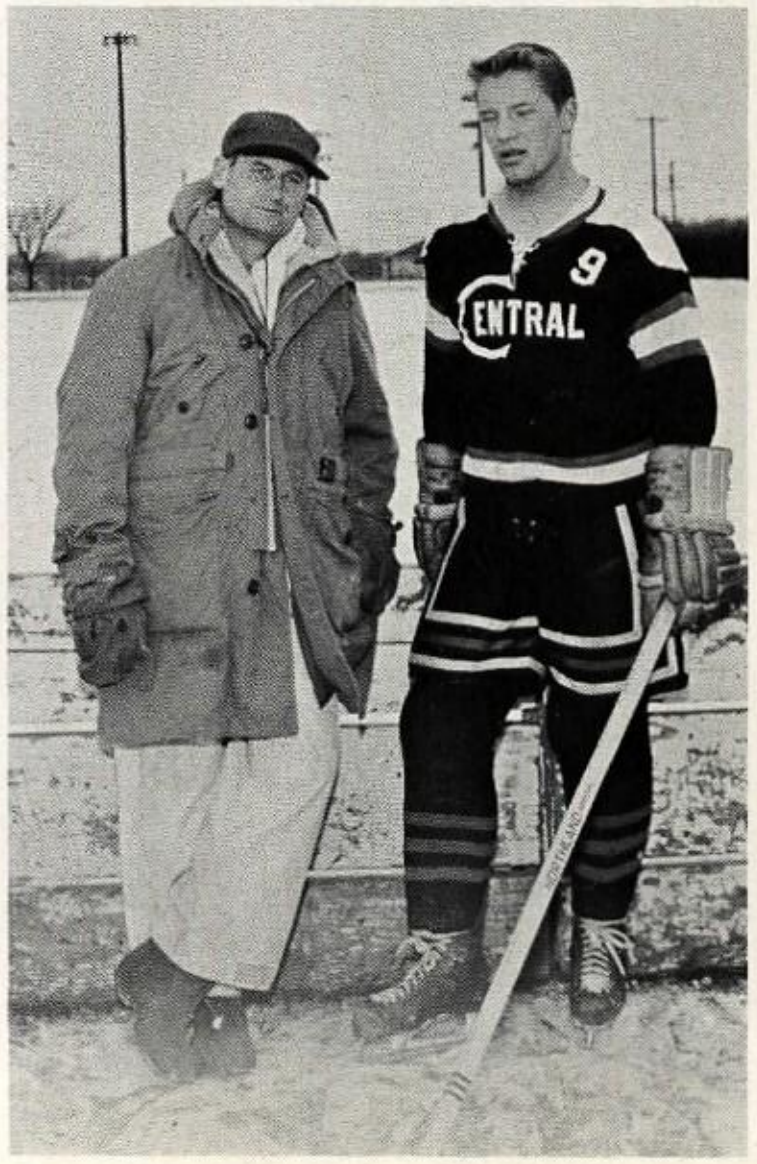
. . . VARSITY HOCKEY

ROW 1: M. Grady, B. Miller, B. Lang, M. Bohn, J. Neikirk, B. Moore, E. Farscht. ROW 2: C. Selander, M. Rosen, D. Hansen, L. Hasselberger, D. Wentz, B. Unke, D. Leider, L. Murphy. ROW 3: R. Nielsen, M. Becker, D. Brown, J. Werner, D. Ambrose, B. Glaesman, Mr. Sauer, coach.

A prediction was made last year that if the Central hockey team continued to improve as it had in the past few seasons, Central would be among the leading city contenders. That prediction came true this year. Our pucksters this year ended what was considered their best season and tied for second place in the city race.

Credit for this year's success is due to fine team co-operation, led by the individual excellence of such players as Larry Murphy and Bob Glaesman and directed by the coaching of Mister Sauer.

We hope that the skating Minutemen of next year can live up to the goal set by this year's team.



SENIORS - ROW 1: B. Miller, B. Lange, L. Murphy, B. Moore.
ROW 2: J. Werner, D. Brown, L. Hasselberger, B. Glaesman.

Here Larry Murphy shows the excellent goal tending that he consistently used to aid the Central team this year.

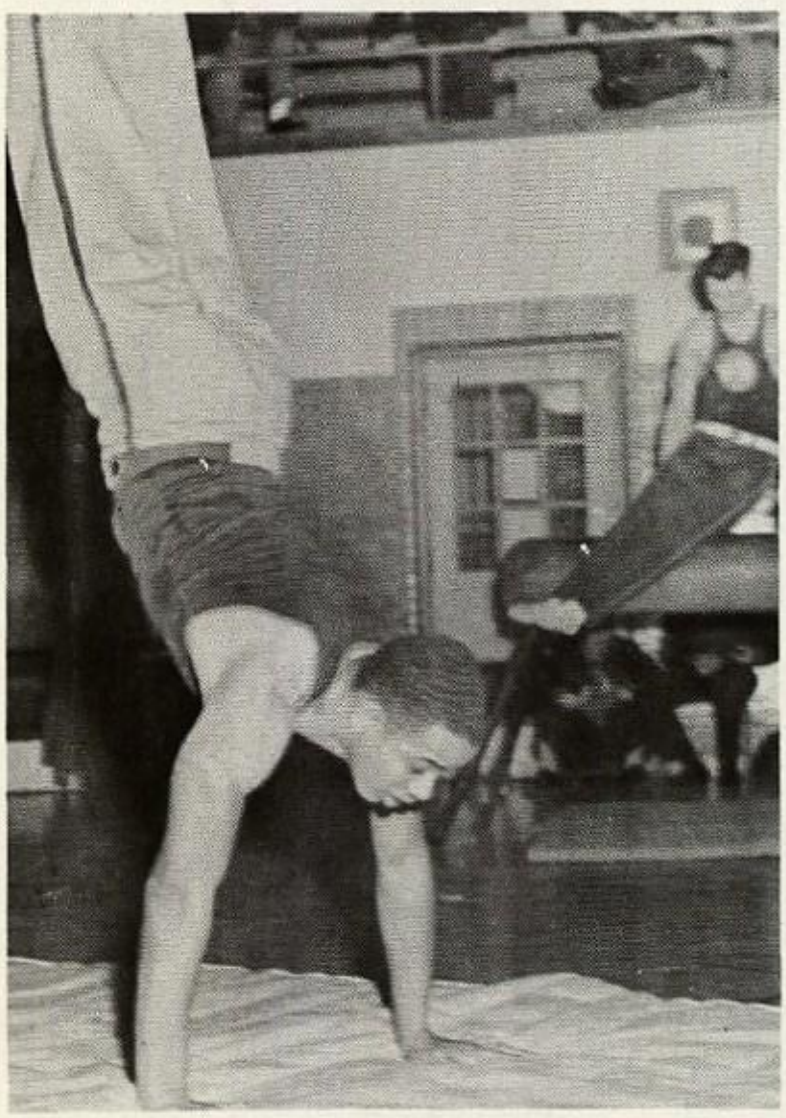
ROW 1: Olsen, T. Hurwitz, G. Kacklins. ROW 2: M. Kedrowsky, D. Kohl, B. Glaesman, B. Kemp, Hanna. ROW 3: Mr. Katz, coach, J. Shroeder, Helfman, D. Dahlin, E. Novick, C. Maker, W. Seldon, T. Larkin.

VARSITY GYMNASTICS . . .

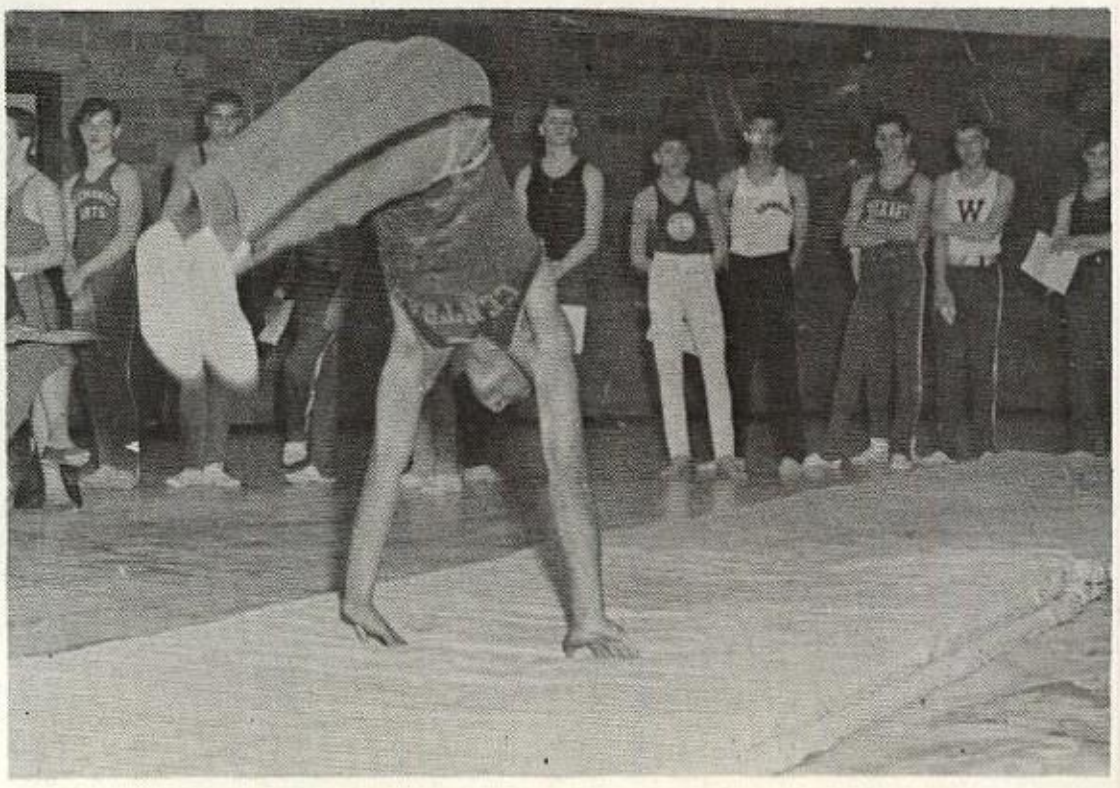
ROW 1: F. Lorenz, R. Mondale, D. Taylor, G. Dusel, D. Pawlicki, N. Perlman, R. Gray, J. Schrafvan, D. Dahl, R. Bermeister, P. Woseth. ROW 2: E. Hipp, A. Videen, F. Weston, C. Dent, G. Hedquist, M. Dunnigan, C. Hill, C. Furlong, L. Latson, L. Bellamy, M. Brennen, D. Wright. ROW 3: Dean Maas, coach, C. Clausell, B. Holly, B. Dahl, S. Maxwell, C. Taylor, B. Berg, D. Gillson, J. Schleh, S. Jensen, D. Sutherland.

Probably the least watched yet most interesting to observe is gymnastics. This single sport combines all of the needed qualities of a good physical body; speed, agility, endurance, and strength. In addition to the conditioning of the body, it develops good sportsmanship on the part of the individual and good teamwork on the part of the whole.

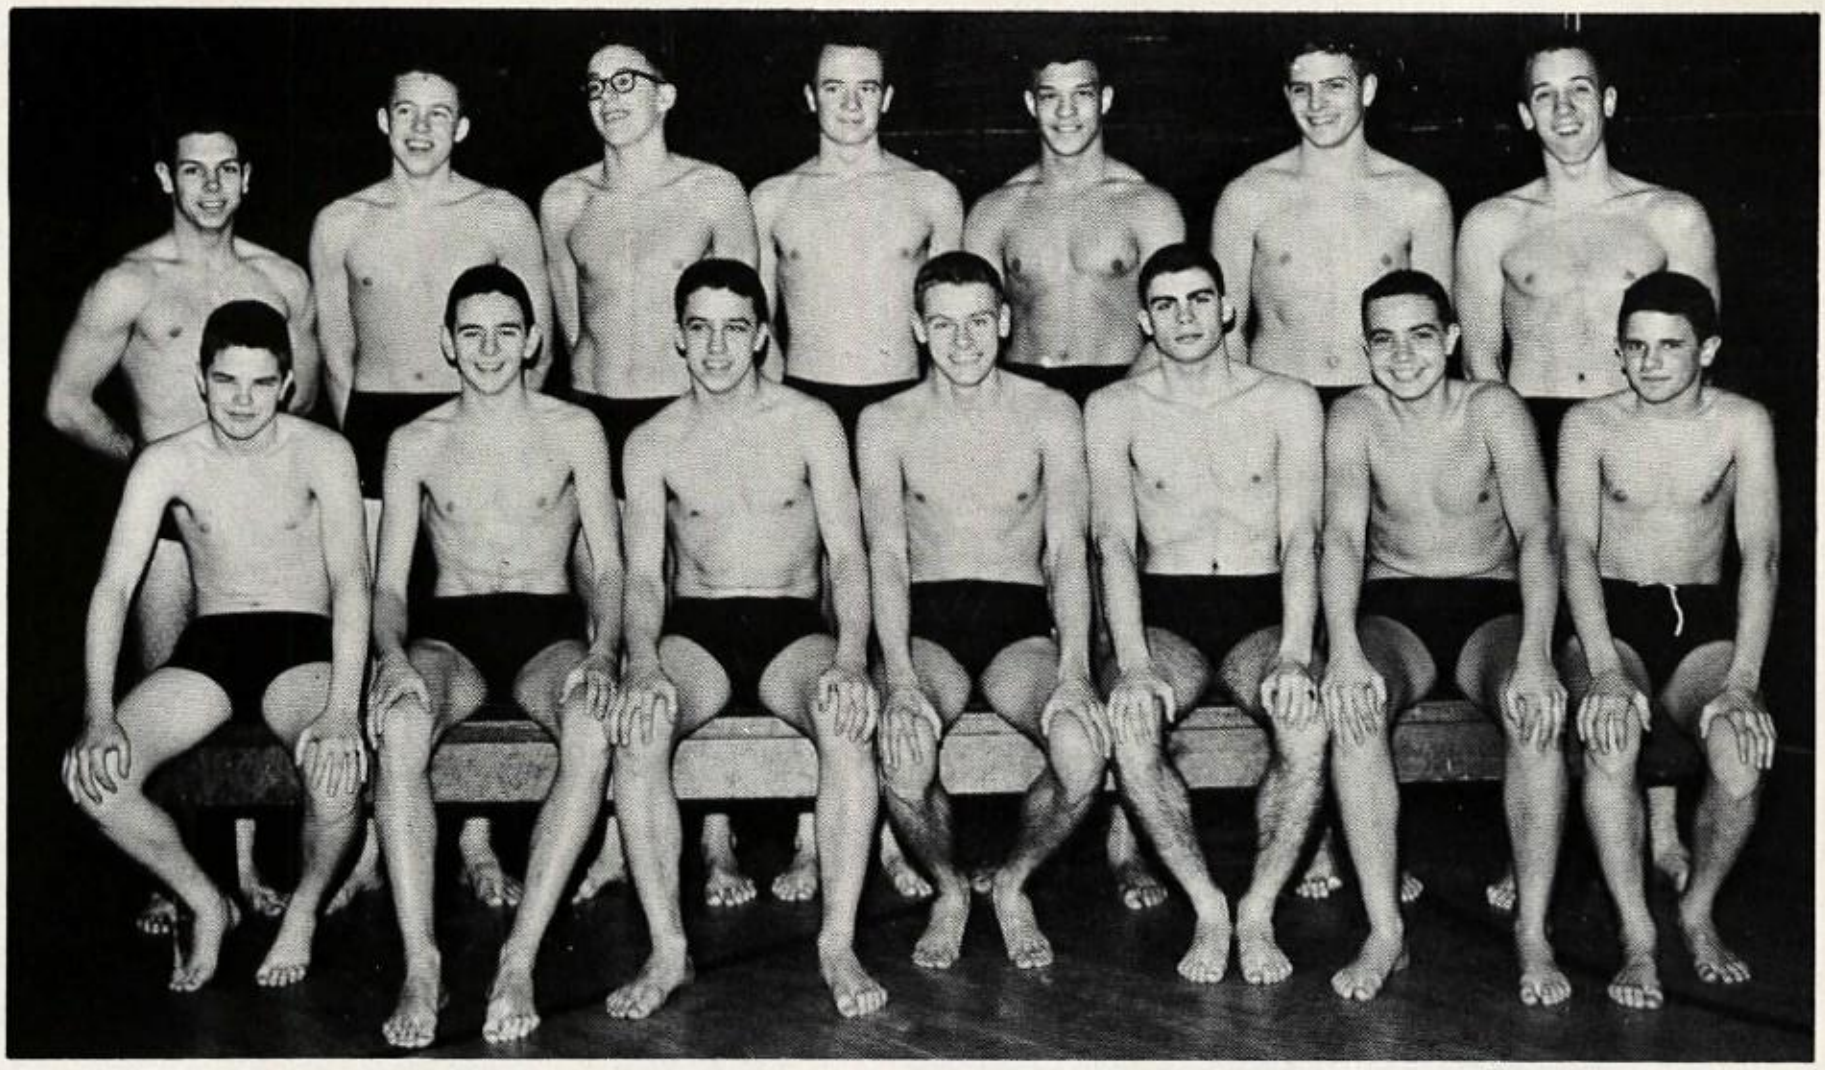
The gymnastics team upheld the sporting standards of Central with an impressive season, having placed ninth in the state meet with John Schleh placing first on the horse. As in all sports at Central much of the credit for the team's success is due to able coaching, in this case, the fine ability of Dean Maas.



This is what you call looking for contact lenses the hard way.



. . . SWIMMING

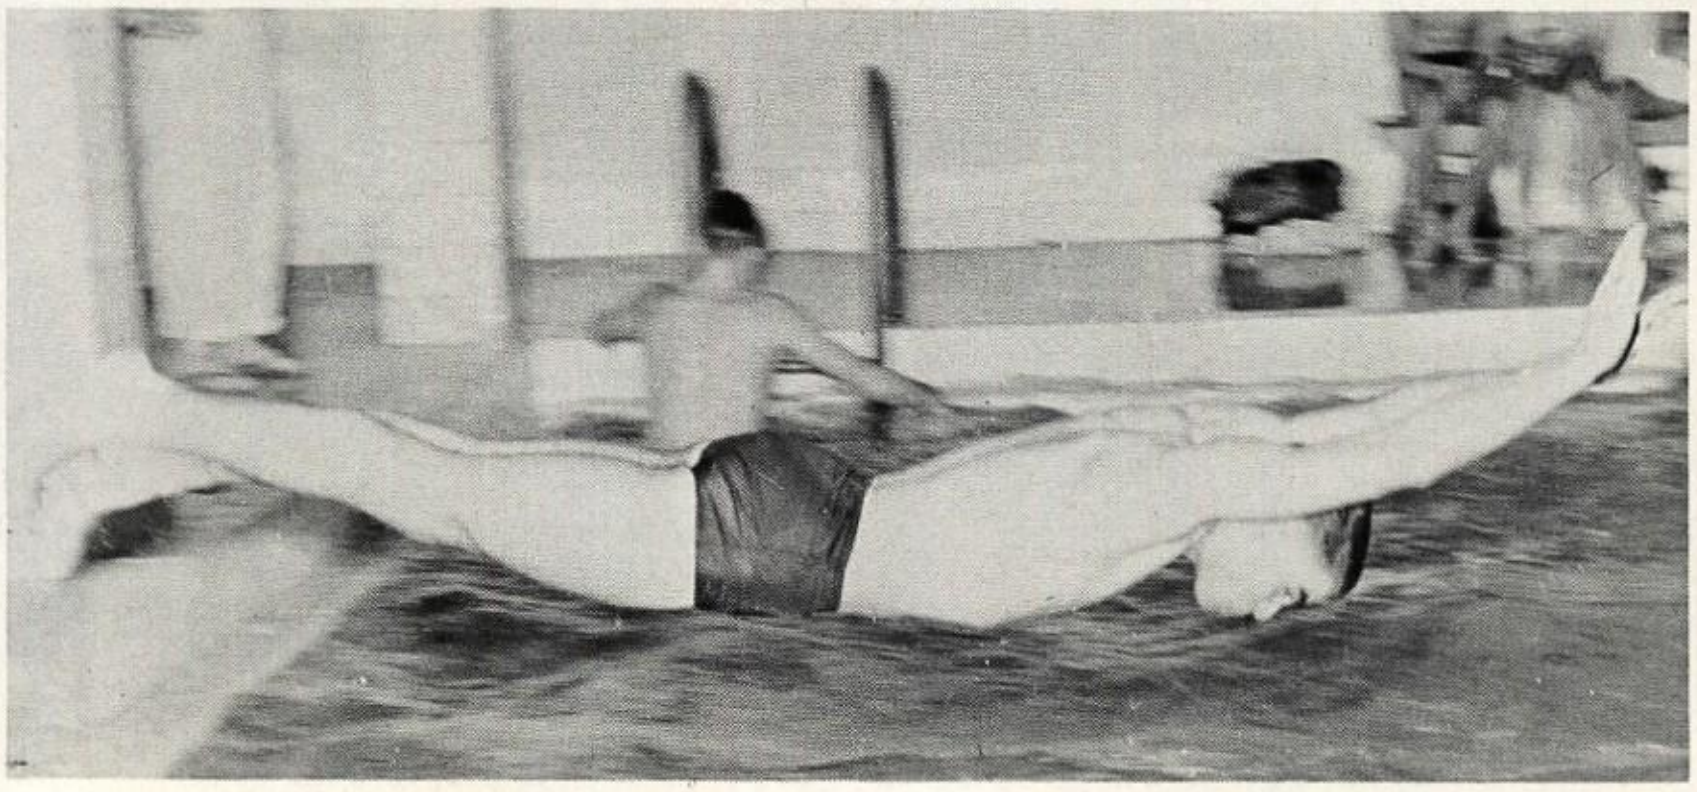


ROW 1: S. Mahle, J. Mahle, V. Anderson, M. Tenney, A. Ruvelson, F. Banholzer, J. Low. ROW 2: J. Langevin, B. Grossman, G. Ericksen, C. Jenny, G. Moore, D. Lundberg, W. Mitchell.

Swimming is usually a strong sport at Central and this year was no exception. Central swimmers completed their very successful season as city conference runners up. They also added to the fine record of only one conference dual-meet loss in the past three seasons.

Among the outstanding swimmers this year were Jerry Ericksen, a leading contender in the state, Joe Mahle, who placed first in the city for the 50 yard free style, and Clark Jenny, who placed second in the 100 yard free style.

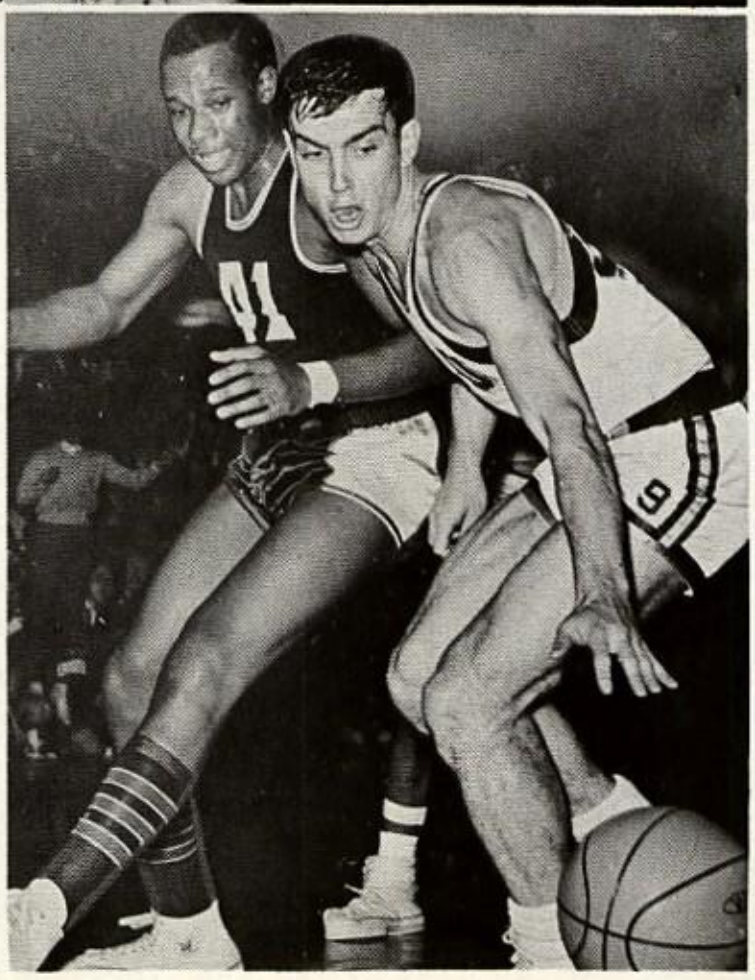
We wish to convey our thanks to our swimming seniors and hope that with the potential talents remaining we can maintain a high caliber team.



CITY CHAMPS . . . DISTRICT CHAMPS . . .

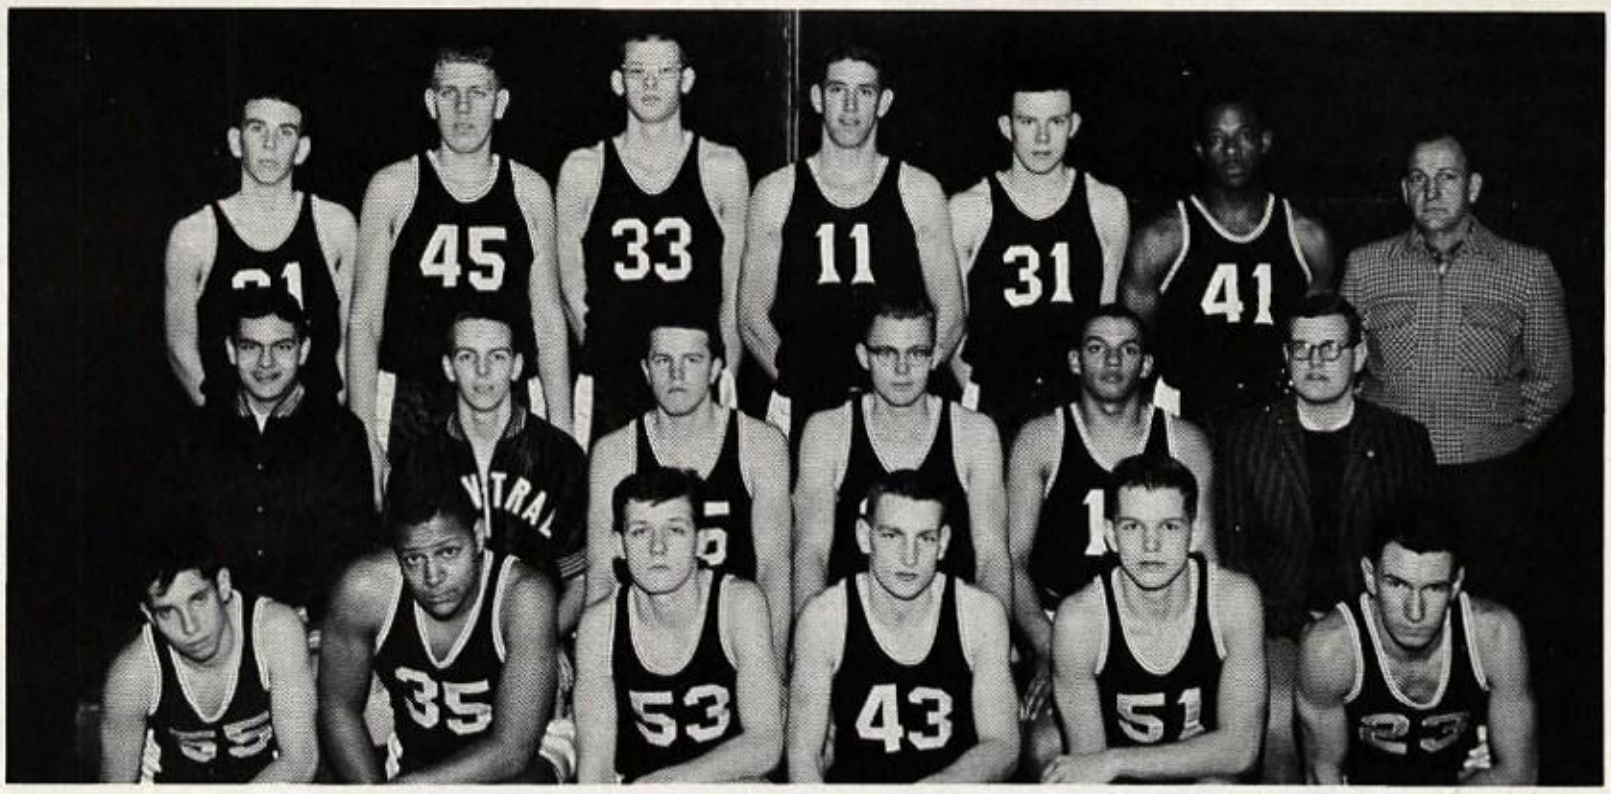
CHAMPIONS!

The Minutemen of Central are a joyful crew after a 51-40 victory over Harding to clinch the City Conference Basketball Championship. The district tournament brought many upsets, but still the tall and talented team went on to victory. The championship game proved to be the biggest threat in the Minutemen's so-far unmarred path to the State Tournament. Coming from behind, Central topped Mechanics, 51-47, to become the District 15 Champs. However, in the Region 4 play-offs, a last minute rally by the Zephers of Mahtomedi shattered the Minutemen's hopes for a berth in the State Basketball Tournament. The game ended 33-31.



Typifying the aggressiveness of our team throughout the year is Darrell Smith right, who holds his opponent to a difficult situation.

. . . VARSITY BASKETBALL



ROW 1: D. Rosenberg, C. Hickman, G. Alm, L. LaFontaine, B. Hicks, J. Stahl. ROW 2: F. Skaff, C. Mathis, M. Corrigan, G. Nelson, D. Brooks, P. Renstrom. ROW 3: M. Conrath, B. Christiansen, J. Eichinger, D. Wykes, J. Daggett, D. Smith, Mr. C. Kelly.

This year the laurels of the city championship were handed to the Central bucketmen for their superb talent and their superior sportsmanship.

Our boys can credit their success to their fine teamwork. Although we had the height and the individual talents of such players as Dave Wykes, Darrell Smith, Milt Conrath, Lloyd LaFontane, John Eichinger, and John Daggett, the net goal could not have been achieved without teamwork. Credit is also due to the spirit dragged out of the student body by the cheerleaders. Little needs to be said about the fine coaching of Coleman Kelly because the team's performance serves as a living testimonial of his abilities.

If you were among the Central crowds this basketball season, this is the type of action you would have seen. Good basketball and good sportsmanship were constant throughout the season. Again we wish to express our appreciation to the team and to our coach, Coleman Kelly.

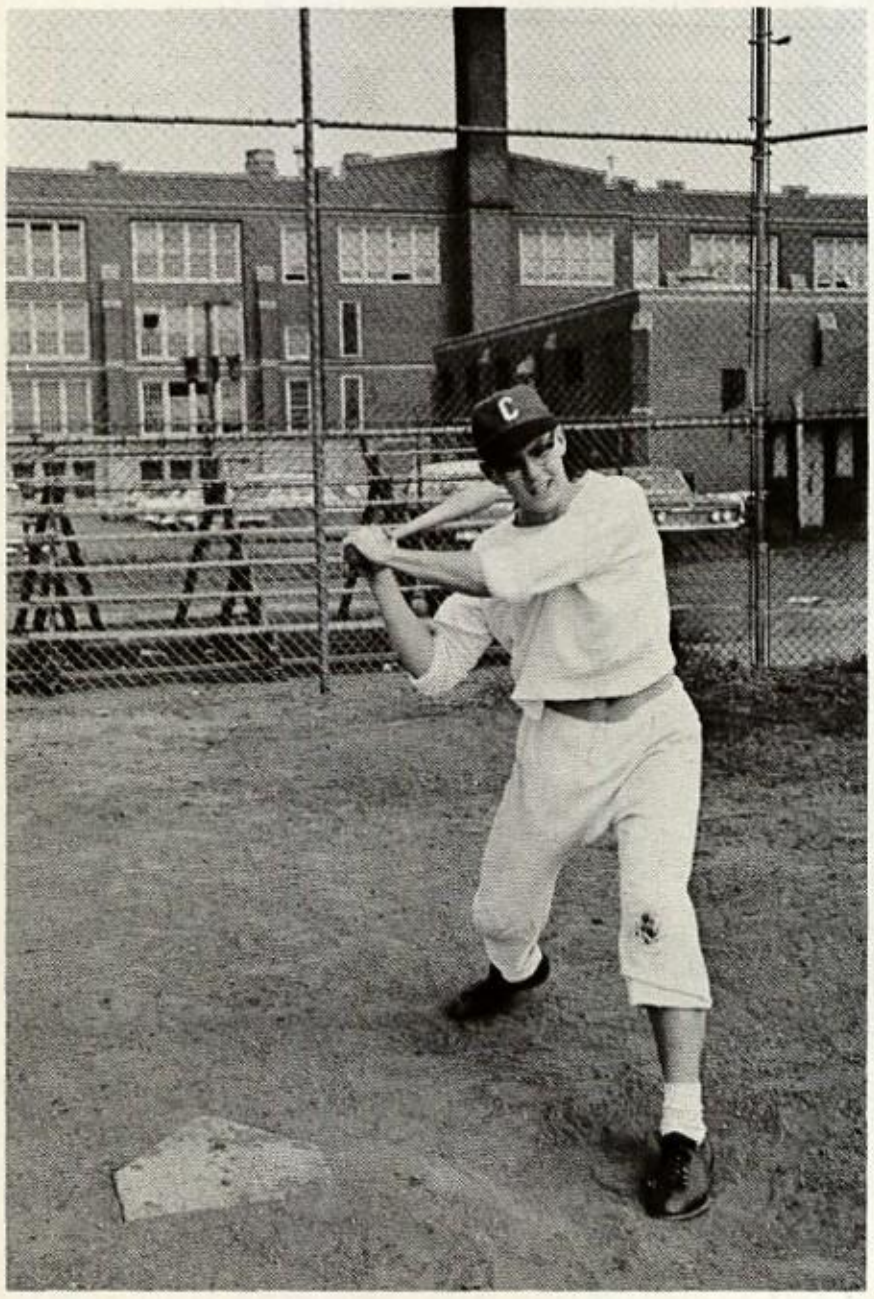
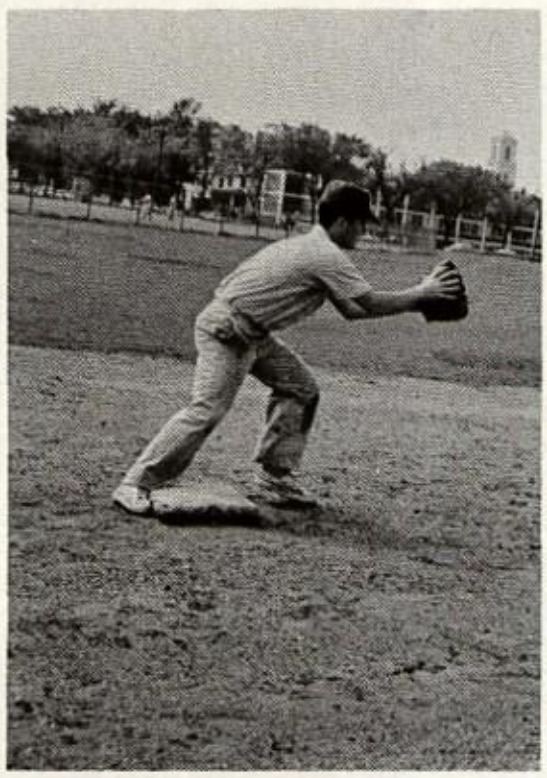
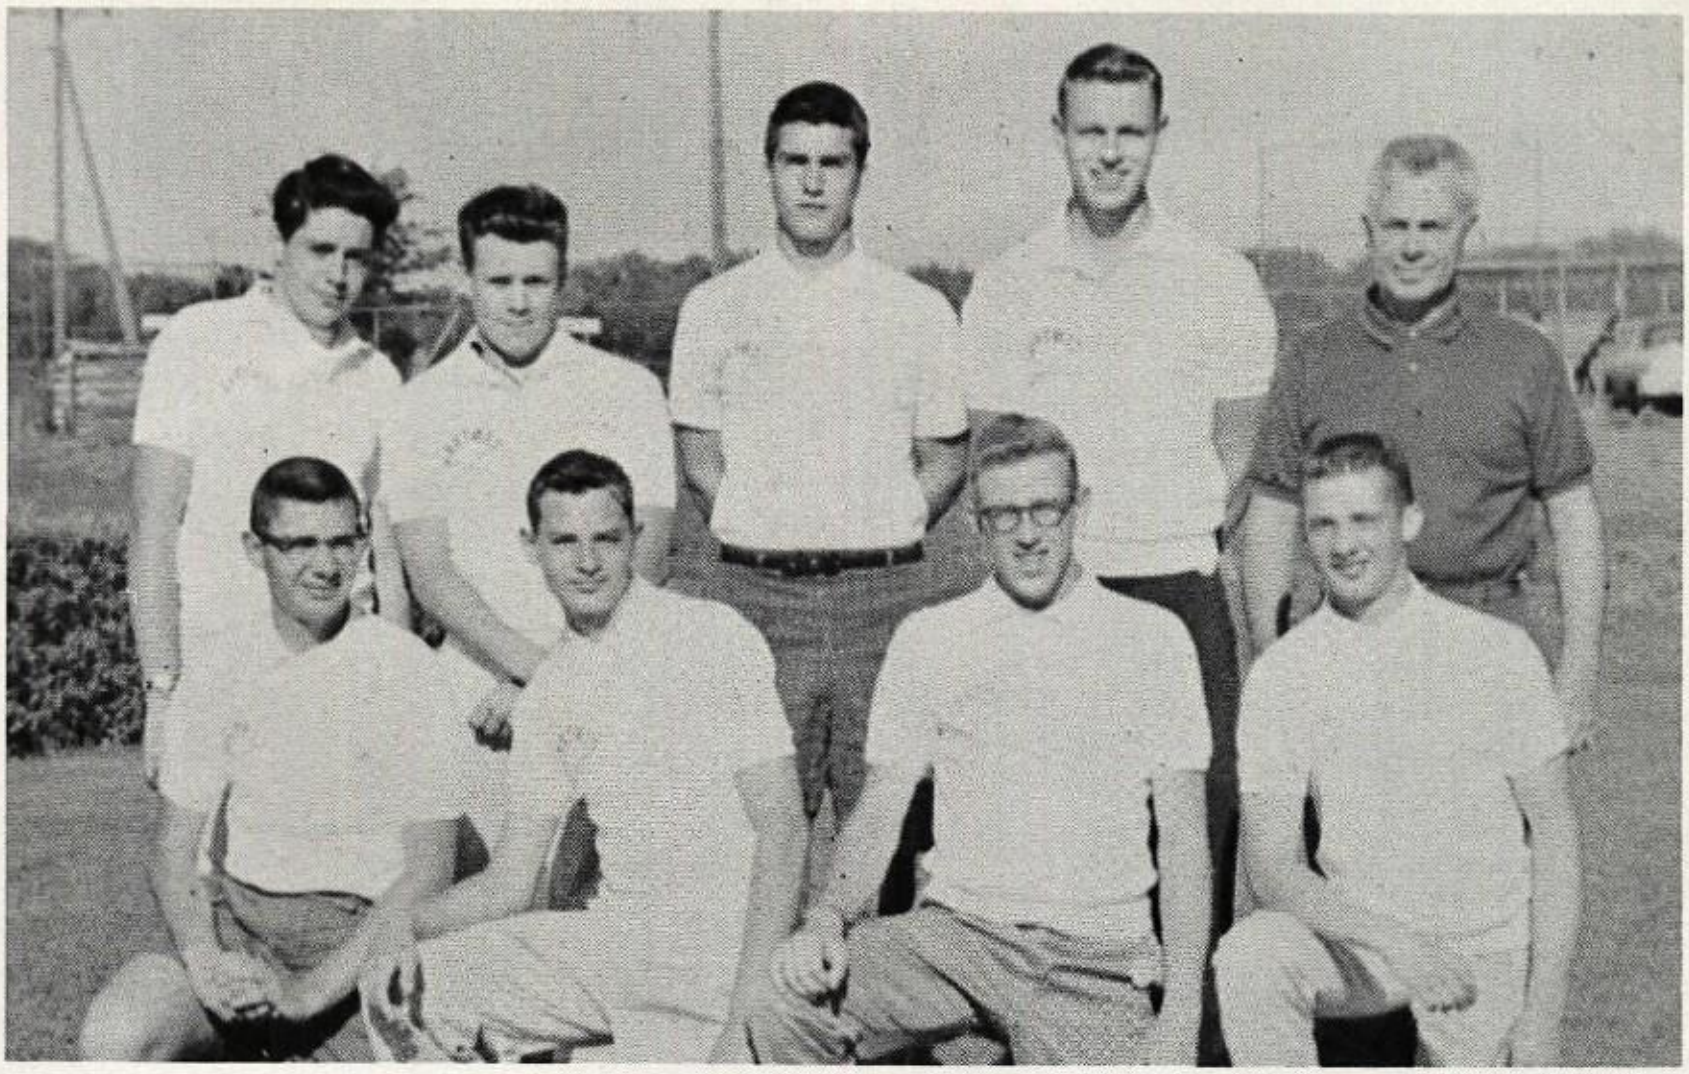
VARSITY BASEBALL . . .

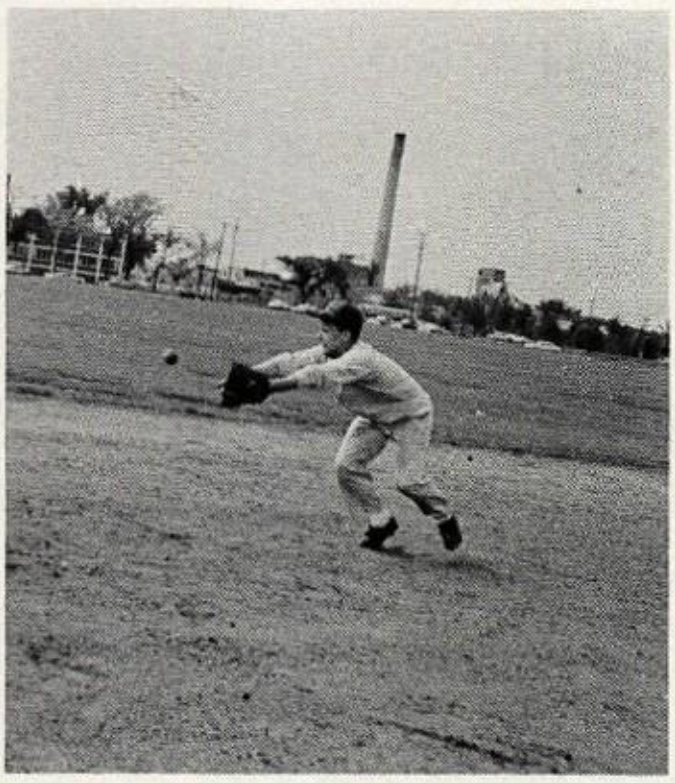




Spring sports also play a prominent role in the life of Central sports. Although team support did appear to be as keen for the spring sports of tennis, baseball, and golf as it did for the fall and winter activities, still these spring sports and teams were able to maintain a very good record.

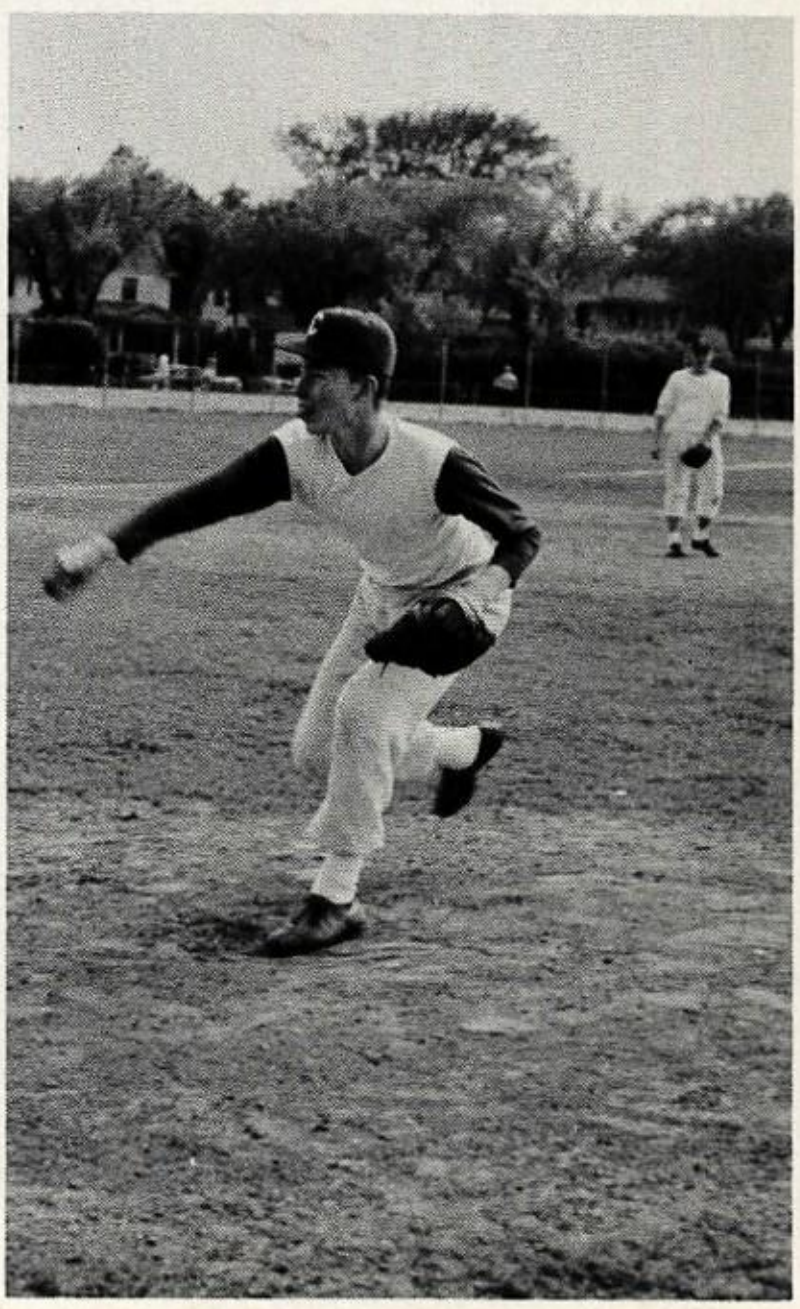


ROW 1: P. Helenick, T. Clausen, B. Erickson, P. Rick.
ROW 2: J. Roberts, L. Murphy, J. Piper, D. Smith, Mr. Thorson.

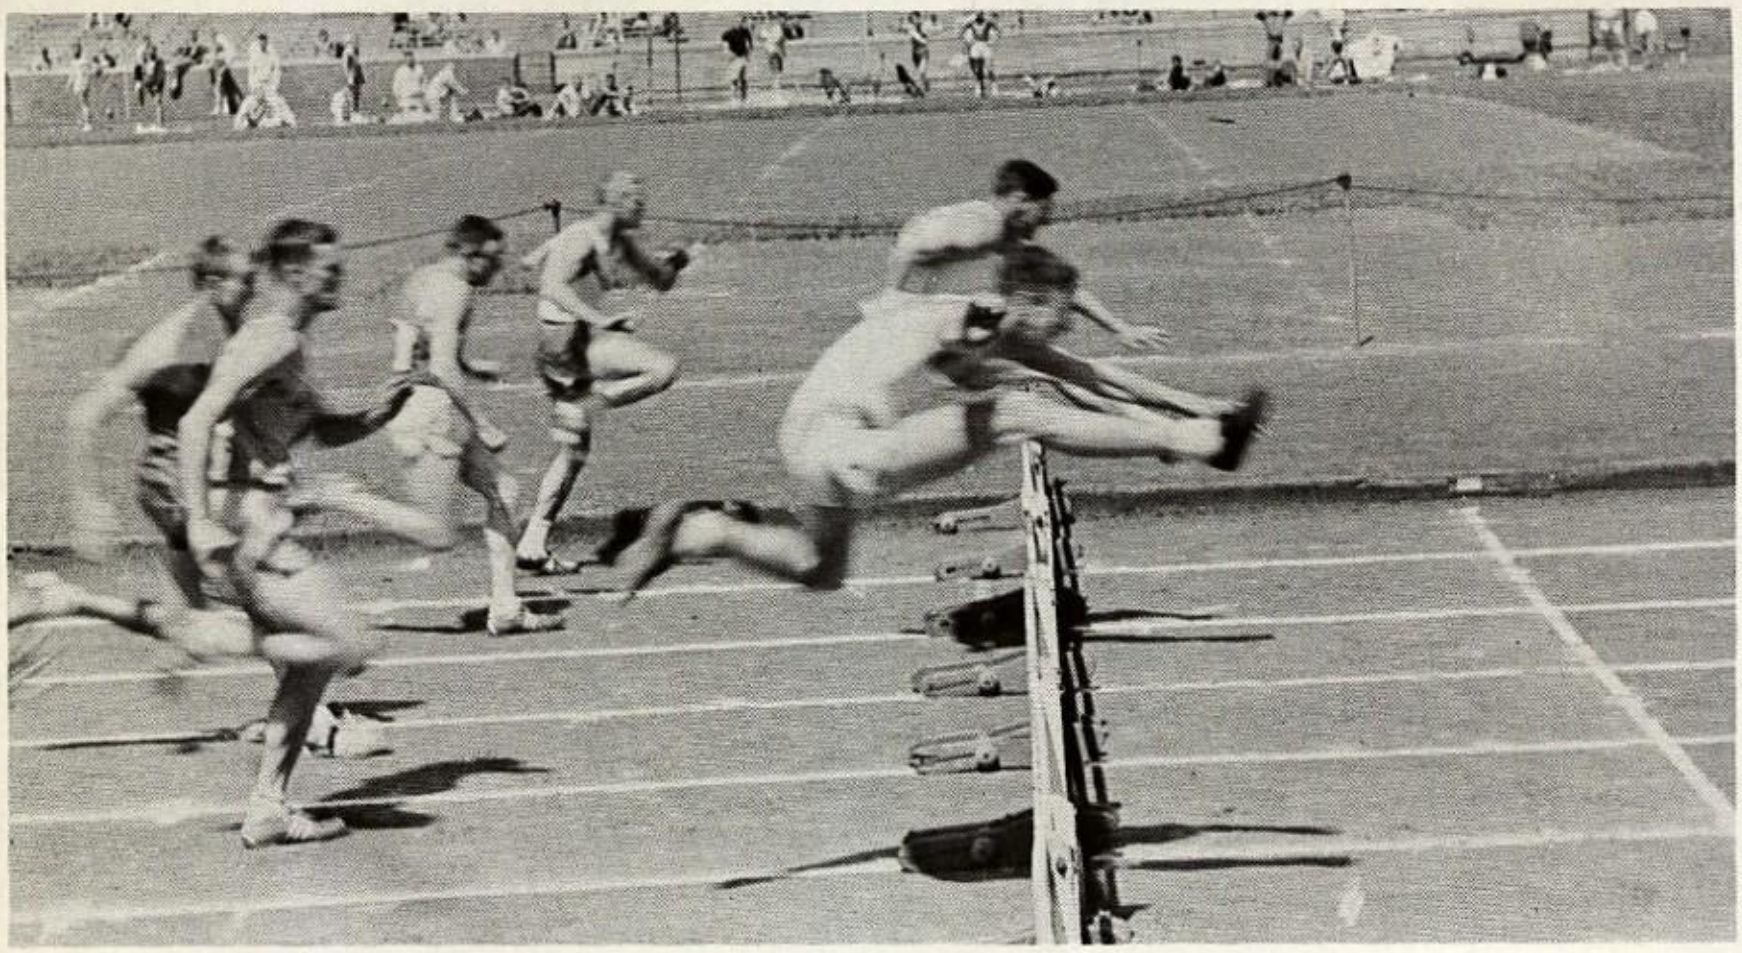


Again we wish to mention that a team's success is largely due to coaching. The spring teams were guided by Mr. Sauer, Mr. Thorsen, and Mr. Hubal.

We also wish to thank our graduates for their help in a fine season and extend the best of luck to those who must live to past records with their smashing serves, dynamic drives, and heroic homeruns.



VARSITY TRACK . . .



Statewide runners compete in the 180 yard low hurdle heat in the stae championship. Central placed fifth in the state.

Always in close contention, Central's 1960 trackmen went on to capture the city title. The Class of '61 has been perhaps the best scholastically and athletically in the schools history. Excellence in athletic performance will assure continued success in track.

(L. to R.) M. Henderson, B. Ray, R. Brown, R. Day
Central's 880 yard relay placed in the state.

GIRLS' SPORTS . . .

The Girls' Athletic Association, headed by the G.A.A. Executive Board, consists of nineteen girls who are particularly interested in athletics. These girls are elected through G.A.A. to take care of the problems, set tournament dates, keep records, and plan the programs concerning G.A.A.

If it weren't for these girls there wouldn't be any C's or All City Awards given to the deserving girls at the banquet in the spring of the year. Each girl is responsible for a certain area such as swimming, hiking, table tennis, and the other numerous sports. The board members keep the totals of these points during the year. When a girl has reached 1000 points she receives her C. In her junior or senior year she works for 500 more points and is then entitled to her All City Award.

Much further interest has been created through the work of this year's G.A.A. Board. Thanks for the good work!

A fateful decision brings a look of ponderance.

This enthusiastic group of girls is known as the referees of all the girls' G.A.A. and physical education courses. By doing this they earn G.A.A. points for their "C" awards and all City letters. They really are a bright bunch of girls who know their job. The advisors are Miss Ryan and Mrs. Anderson.

Another favorite activity in the G.A.A. program was the AQUATIC CLUB. This year we are aiming for our third consecutive win. After three championships, the trophy becomes a permanent prize.

ROW 4: Regina Mallett, Genene Youngren, LaVonne Risedorph, Barb Anderson, Katy Kixmoeller, Pauline Doherty, Barb Fortmeier.

Probably one of the favorite team sports among the G.A.A. members is fieldball. Each fall tryouts are held for those participating in G.A.A. who wish to be on one of the four teams. In the first round the seniors play the juniors and then the sophomores play the freshmen. The victors of the two teams then play each other. The juniors were triumphant this year. They bowled the sophomores over 5-2.

SENIOR CALL TRIP . . .

One day in November, the St. Paul Union Depot buzzed with excitement. The class of '61 from Central High was about to leave on a never to be forgotten journey. The trip would take them to the cities of Chicago, New York and Washington, D. C.

After changing trains in Chicago the group arrived in New York on the 8th. During the day they visited the magnificent and famous Empire State Building, from which they could admire the beauty of the neighboring states. The group was also shown sights such as the Statue of Liberty, the United Nations Building, and Times Square. That night the group were guests at the Govenor Clinton Hotel. The date proved to be one of opportunity because the interested students witnessed the election returns being posted on the top floors of several buildings.

In the morning the mob boarded another train which would take them to Philadelphia. In Philly the group saw such things as the home of Betsy Ross, Independence Hall, and the Liberty Bell. Then quickly to a bus and off to the Capitol, the Minutemen arrive!

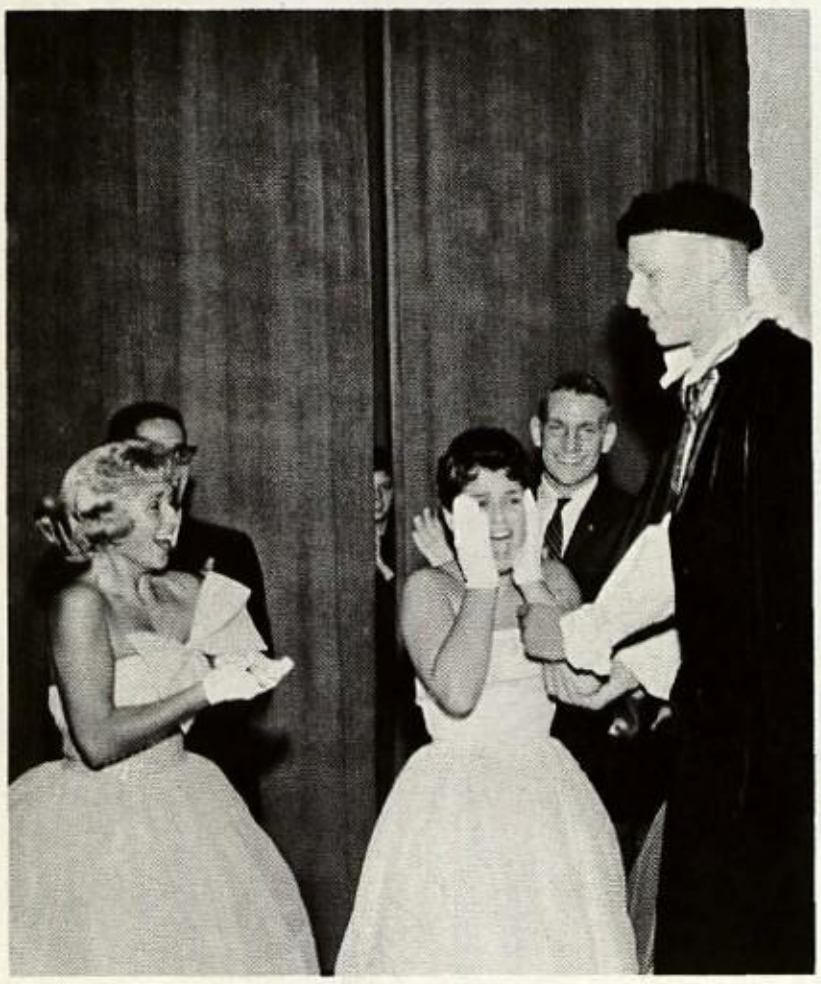
The list of sights in Washington is a long one. The group visited the Capitol, George Washington Monument, Lincoln Memorial, Smithsonian Institute, Arlington Cemetery, White House, Pentagon, Potomac River, and the Jefferson Monument.

The trip provided the students with knowledge, fun, and a week of school-free worry. Those who stayed at home missed a real event.

HOMECOMING

Queen Bonnie Feldman and King Tom Barnes.

The subjects awaited the news. Who would reign over Central Kingdom? When the suspense was over, the laughter, dancing, and complete happiness made the 1960 Homecoming long remembered in the minds of the students.



Bonnie is more surprised than anyone.

Tom seems extremely jubilant.

BOTTOM ROW: The royalty and candidates are: Wendy Gislason, Margie Olson, Lynn Johnson, Bonnie Feldman, Tom Barnes, Judy Grohs, Vickie Sutton, Maxine Anderson. TOP ROW: Jennifer Cutts, Jackie Rehder, Eugene Moore, Mary Tucker, Lloyd LaFountaine, Bob Glaesman, John Eichinger, Gary Gormin, Fran Lorenz, Sue Gill, Vicki Marry.

Judy Grohs, Bonnie Feldman, and Lynn Johnson sit atop a convertible during half-time. Their smiles varify the truth of the scoreboard.

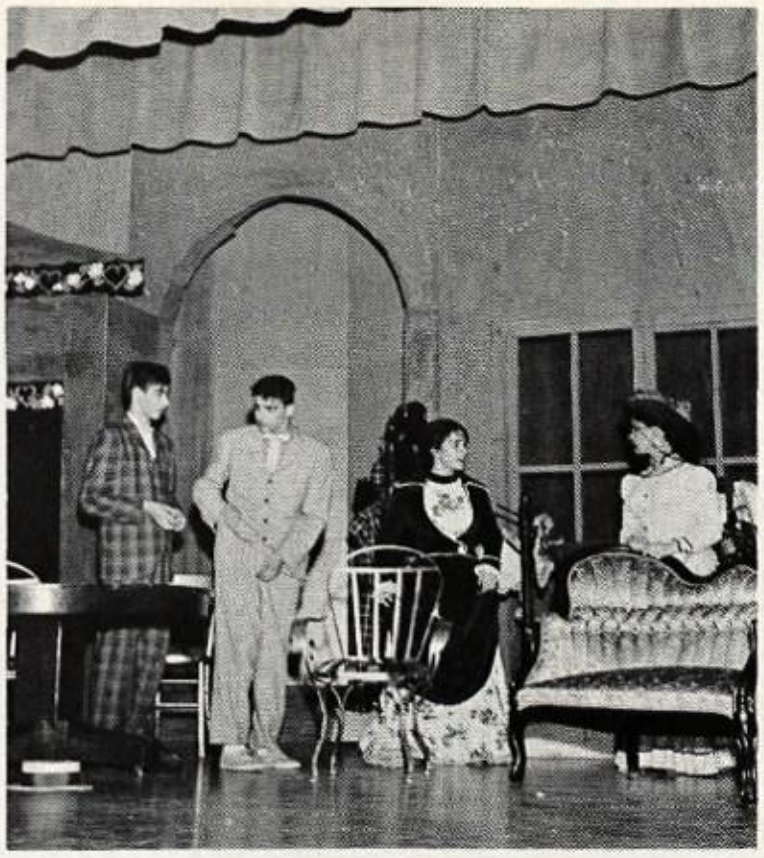
JUNIOR CLASS PLAY . . .

ROW 1: (L. to R.) Miss D. Chiglo, Director, Steve Frank, Student Director, Sue Milton, Ass't. Director, Louis Buron, Ass't. Director, JoAnn Rutchick. ROW 2: Carol Ehrlich, John Grimm, Margie Young, Nick Dunn, Bonnie Marvy, Vicki Lubou. ROW 3: Allen Gray, Perry Cohler, Marty Frizond, Rick Carter, Hans Knoop, Fred Johnston, Sue Sisson.

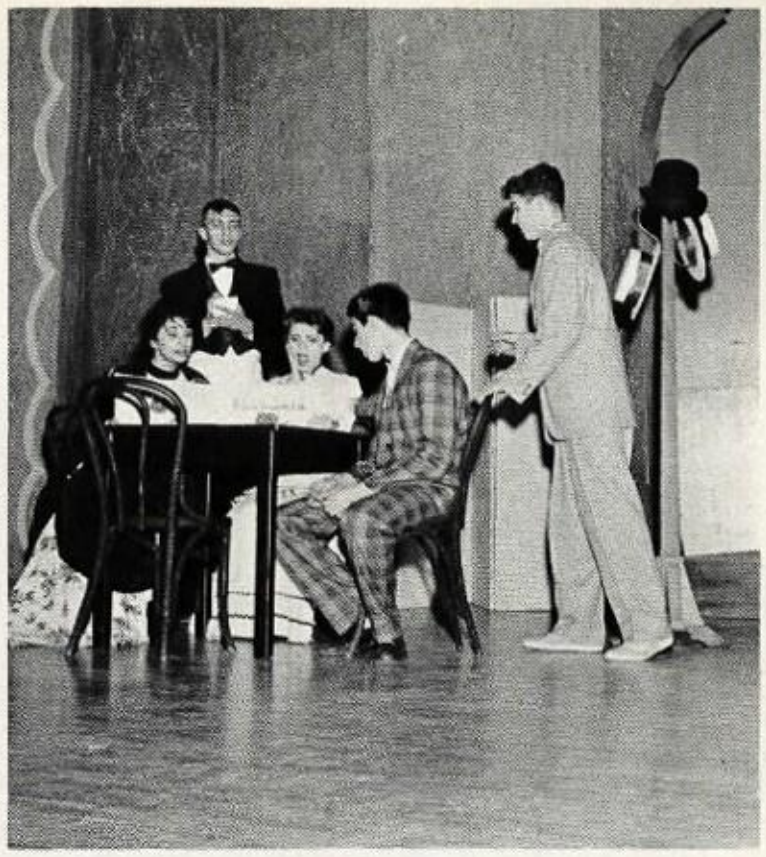
One great big complicated love affair is the description of the play "The Matchmaker" Mrs. Levie is hired by Mr. Horace Vandergelder as a matchmaker. Mrs. Levie sets out to find a suitable mate for him.

In performing her duties Mrs. Levie finds many secret love affairs all in connection with Mr. Vandergelder, both family and friends. With all eligible females seemly taken, Mrs. Levie finds she may uncover her hidden desires and ask Mr. Vandergelder to marry her.

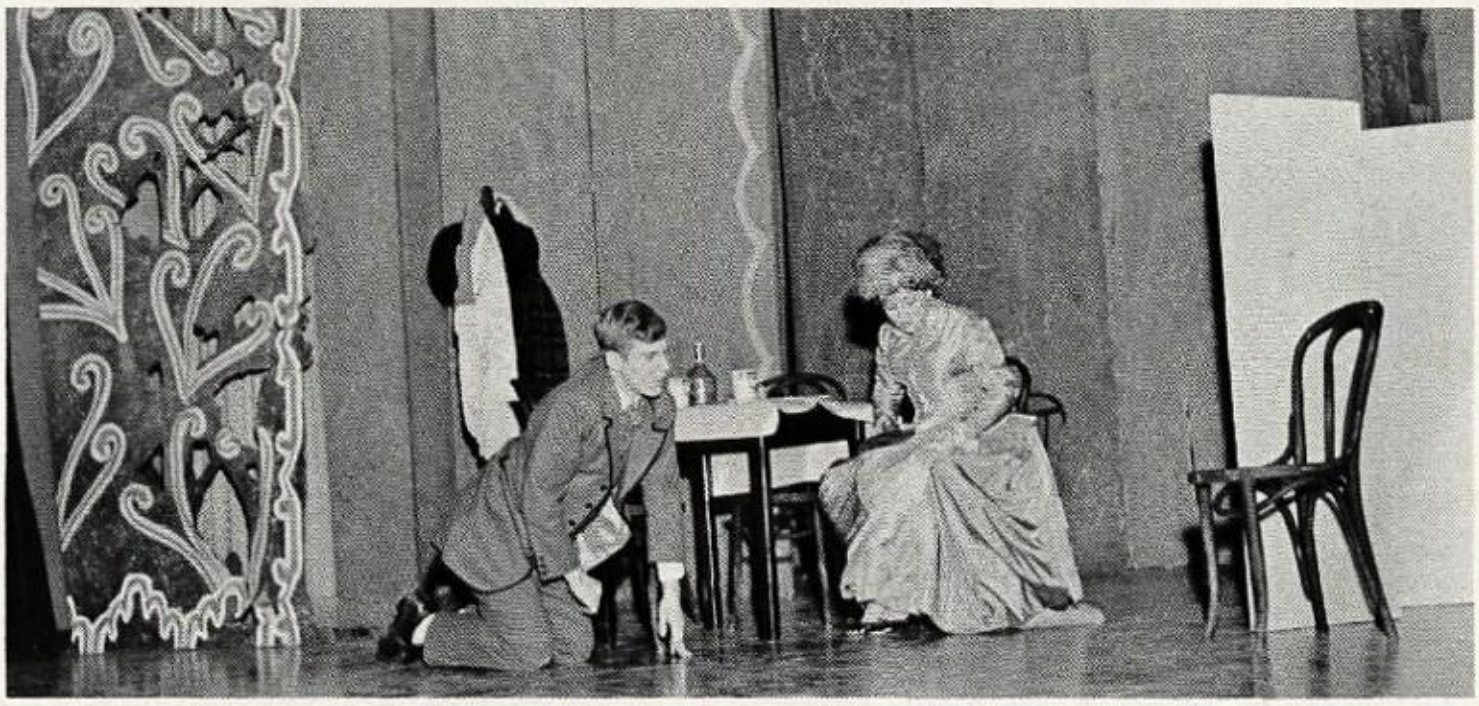
The hilarious four act farce was the best entertainment the student body had enjoyed for some time. Miss Chiglo, director, made her first production presedent for more entertainment in years to come.



Corneilus and Barnaby have a problem and seems to be financial.



Is it the food or prices that cause such an expression?



I have got to find my wallet!

Even actors must eat.

THE MUSIC SHOW . . .

Paden and the boys stir up a bit of tune as the choir listens in the background.

January 19-20 were two dates in the year every student should never forget. The program this year was titled "These Things Shall Be". The audience enjoyed talent in many forms, such as trios, quartets, sextets, ensembles, octets, duets, dancers, piano, organ, narrators, and of course the commercial girls. The choir could not be counted out as a form for it was certainly the hit of the show.

This program was arranged under the capable hands of Miss A. Denzel. Mrs. M. Rothfuss was coreographer.

Kathy Watson kicks up her heels in jubilee.

I want my Maypo! The commercial girls use the agitating TV commercials to draw smiles and laughs from the audience.

The Sno-Day royalty are (L to R.) Lloyd La Fountaine, Sue Gill, Valerie Brussel, Larry Murphy, Eugene Moore, Kris Osten, Mary Tucker, Bob Glaesman.

A royalty of four winds, three princesses, and a queen reigns over the festivities. Kris Osten was the Sno-Queen who would warm Old Man Winter's blood if he were to appear. The day was full of surprises when we found that the snowman was a girl.

Here is the fine field of candidates (L. to R.) Tony Silverman, Grazia Marzioli, Larry Murphy, Sue Gill, Lloyd La-Fountaine, Valerie Brussel, Larry Haselburger, Kris Osten, Gene Moore, LaVonne Risedorph, Dave Brown, Mary Tucker, Bob Glaesman, Noel Larson, Dave Brown, Katy Kixmoeller, Dave Wykes.

"Shock!" The one word that describes Gene's condition.

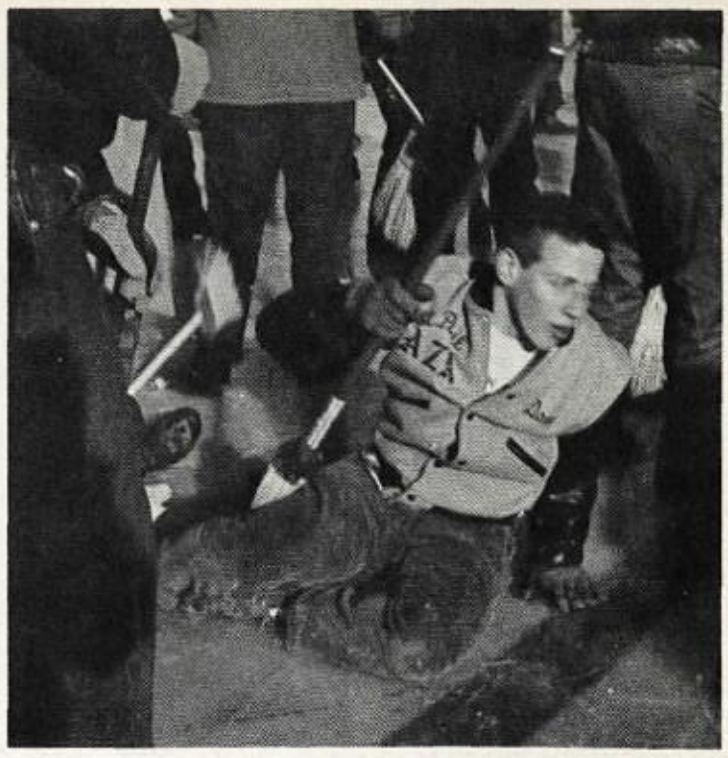
Two reasons might have caused such a reaction. 1) Being picked queen 2) by a bear.

As a veteran page, coronations don't excite me much.

An air of expectancy envelopes the crowd.

With the choosing of the South Wind the 1961 royalty is complete.

It appears that this powerful looking team frightened away all competition.

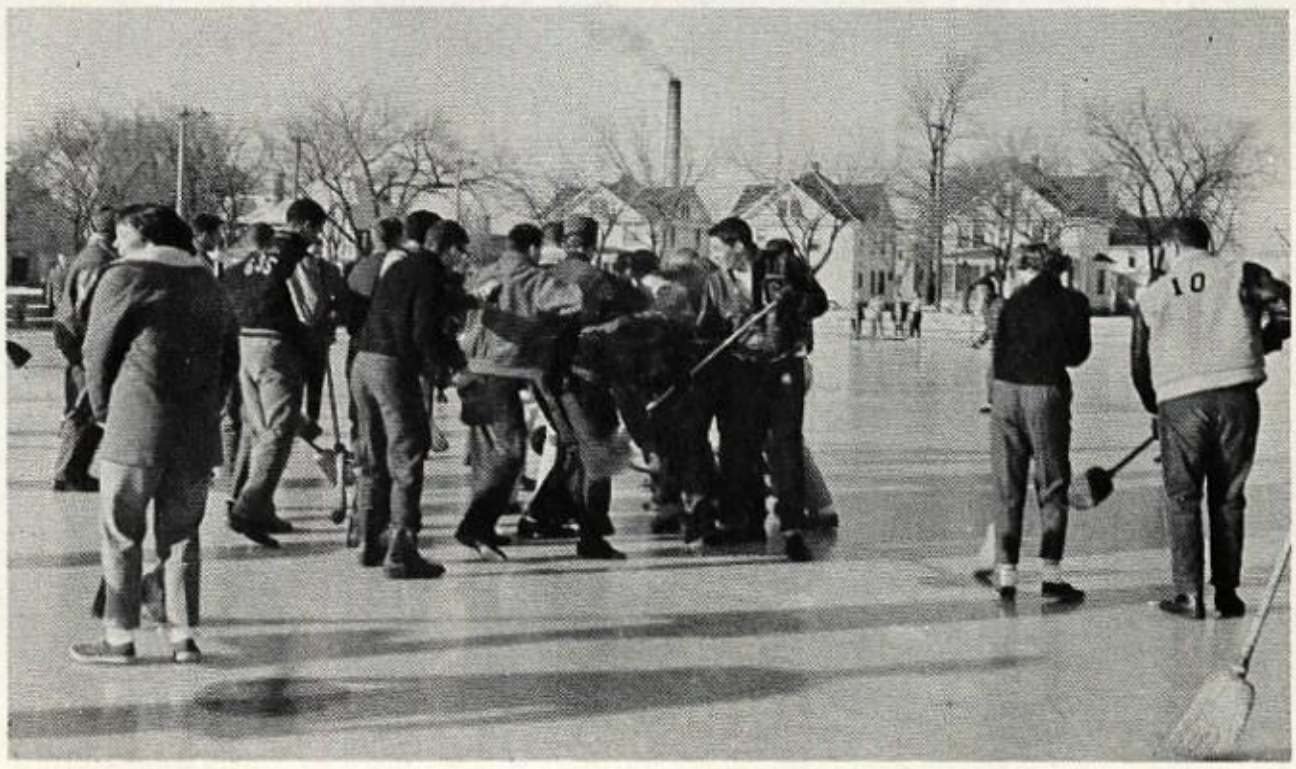


I'll just tell myself that broom hockey is not a rough sport.

SNO-DAY

The one activity which makes one wonder if there is a touch of insanity in the student body of Central is Sno-Day. The hardy Minnesotans find there can be fun in the winter. Activities such as snow sculpturing, sled races, and broom hockey might stir those in hibernation out into the elements as a spectator if not as a participant. The weather was cold, but the buzz of excitement made one forget the numbness creeping into their toes. Insane? Yes! But it was fun.

Coming up, one Minuteman on the rocks.



SENIOR CLASS PLAY . . .

The Class of '61 presented a four act comedy, "The Admirable Crichton" on March 2 and 3. 1961. In summarizing the play, one might say, "The butler did it!" Crichton, a butler for Lord Loam, served many years as a loyal and devoted servant. He was constantly aware of the social distinction in English society and believed that it should be preserved. However, being shipwrecked on an island with Lord Loam and other royalty, the tables became turned and Crichton still was convinced that there should be a division of classes. In this case, Crichton was the nobility.

The closeness of these two groups led to the romance of Crichton and Lady Mary. With the eventual return to England and freedom from the island, Crichton and Lady Mary accepted reality and returned to life before the shipwreck. This presentation as well as the Junior Class play has shown the student body the selective and directive talent of Miss Chiglo.

You're no Paris Model yourself!

SOPHOMORE SWEETHEART

The sophomore royalty are (L. to R.) Biz Engelhart, Attendant, Janet Ahl, Queen, Mary Redmond, Attendant.

If you were to ask any sophomore what event he had looked forward to with great anticipation, he would answer back quickly and say, "The Sophomore Sweetheart dance." This is the biggest social event of the year for the underclassmen. The queen is crowned and the dance begins to take the shape of a real fine evening's entertainment.

"Cupid's Belle" shall remain embedded as an evening of fantasy. The sophomore class should be commended for the great thought and work that made this event, their first big one, a success.

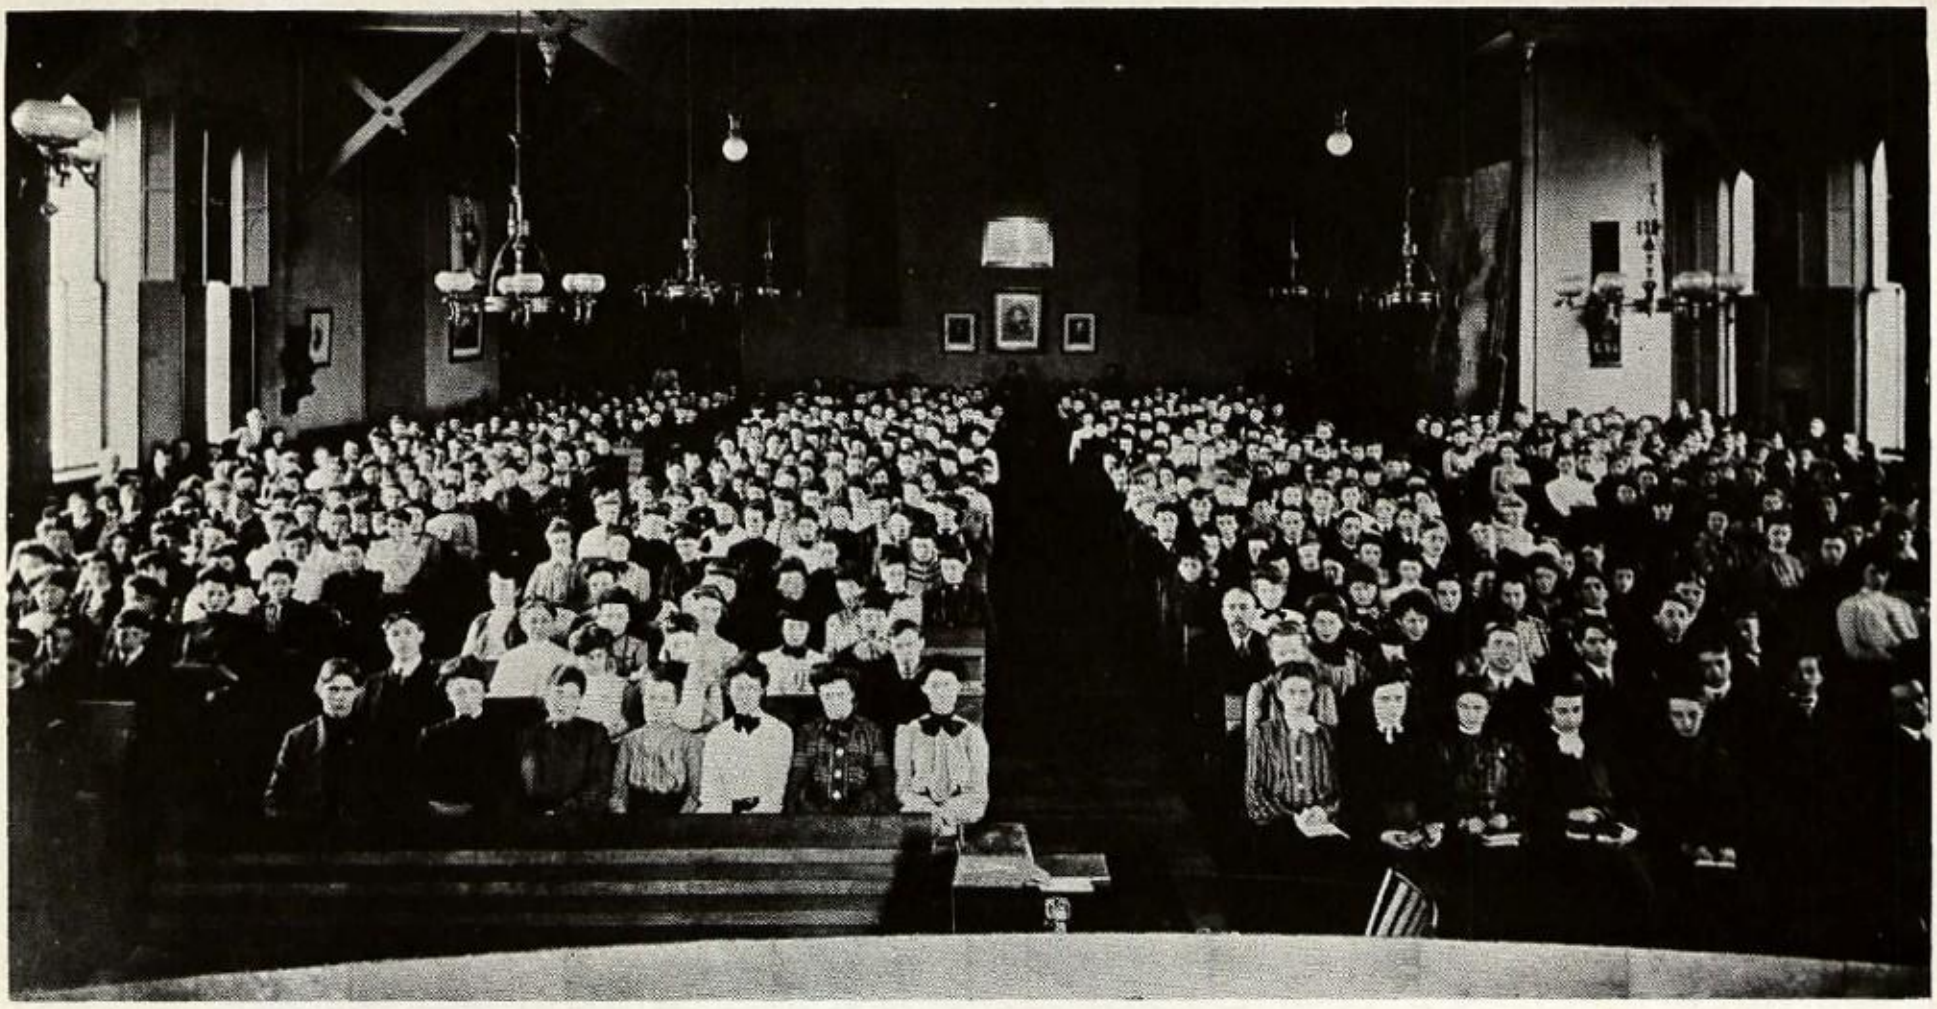
Soft music and a beautiful girl. What more could a fellow ask?

Last year's queen, Jacque Rehder, places the crown on a new head. Hail, Queen Janet Ahl!

Weeping joyfully is Mary Redmond when she is chosen as an attendant.

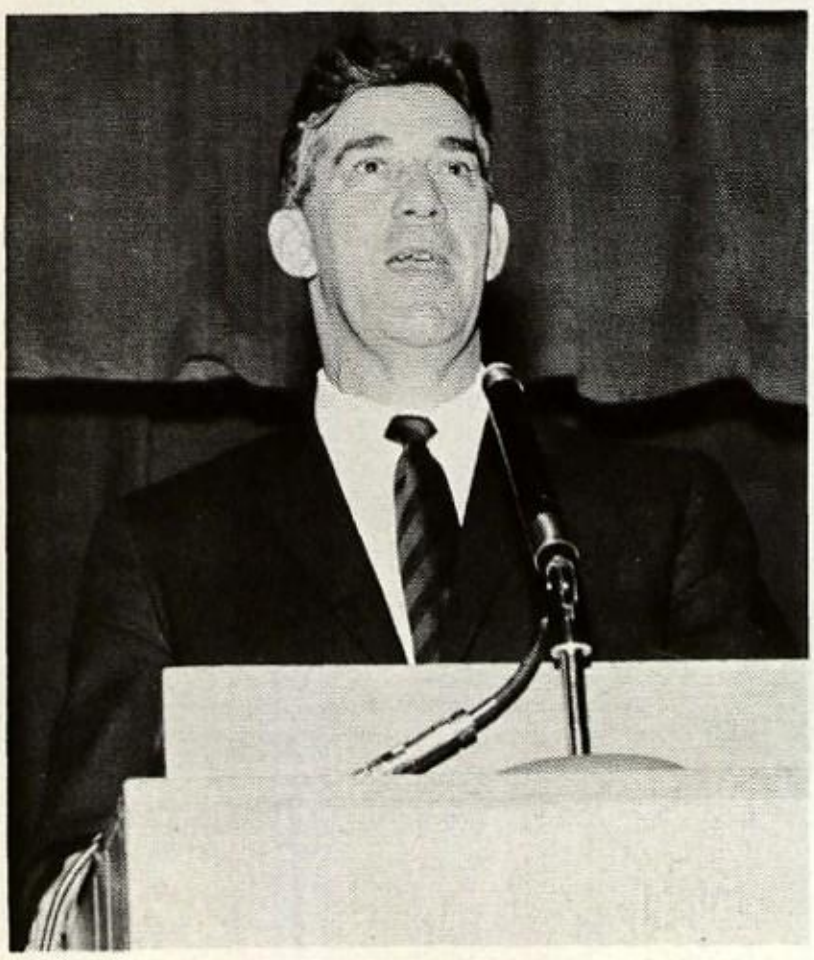
The candidates and their escorts (back to front): Rick Gough, Judy Fine, Vince Anderson, Judy Evans, Harvy Jones, Mary Redmond, John Shell, Janet Ahl, Jay Fogelberg, Biz Engelhart, Clark Jenny, Sally Quast, Barry Rubin, Judy Tilsner, Bob Murphy, Sandy Zisson.

ASSEMBLIES . . .



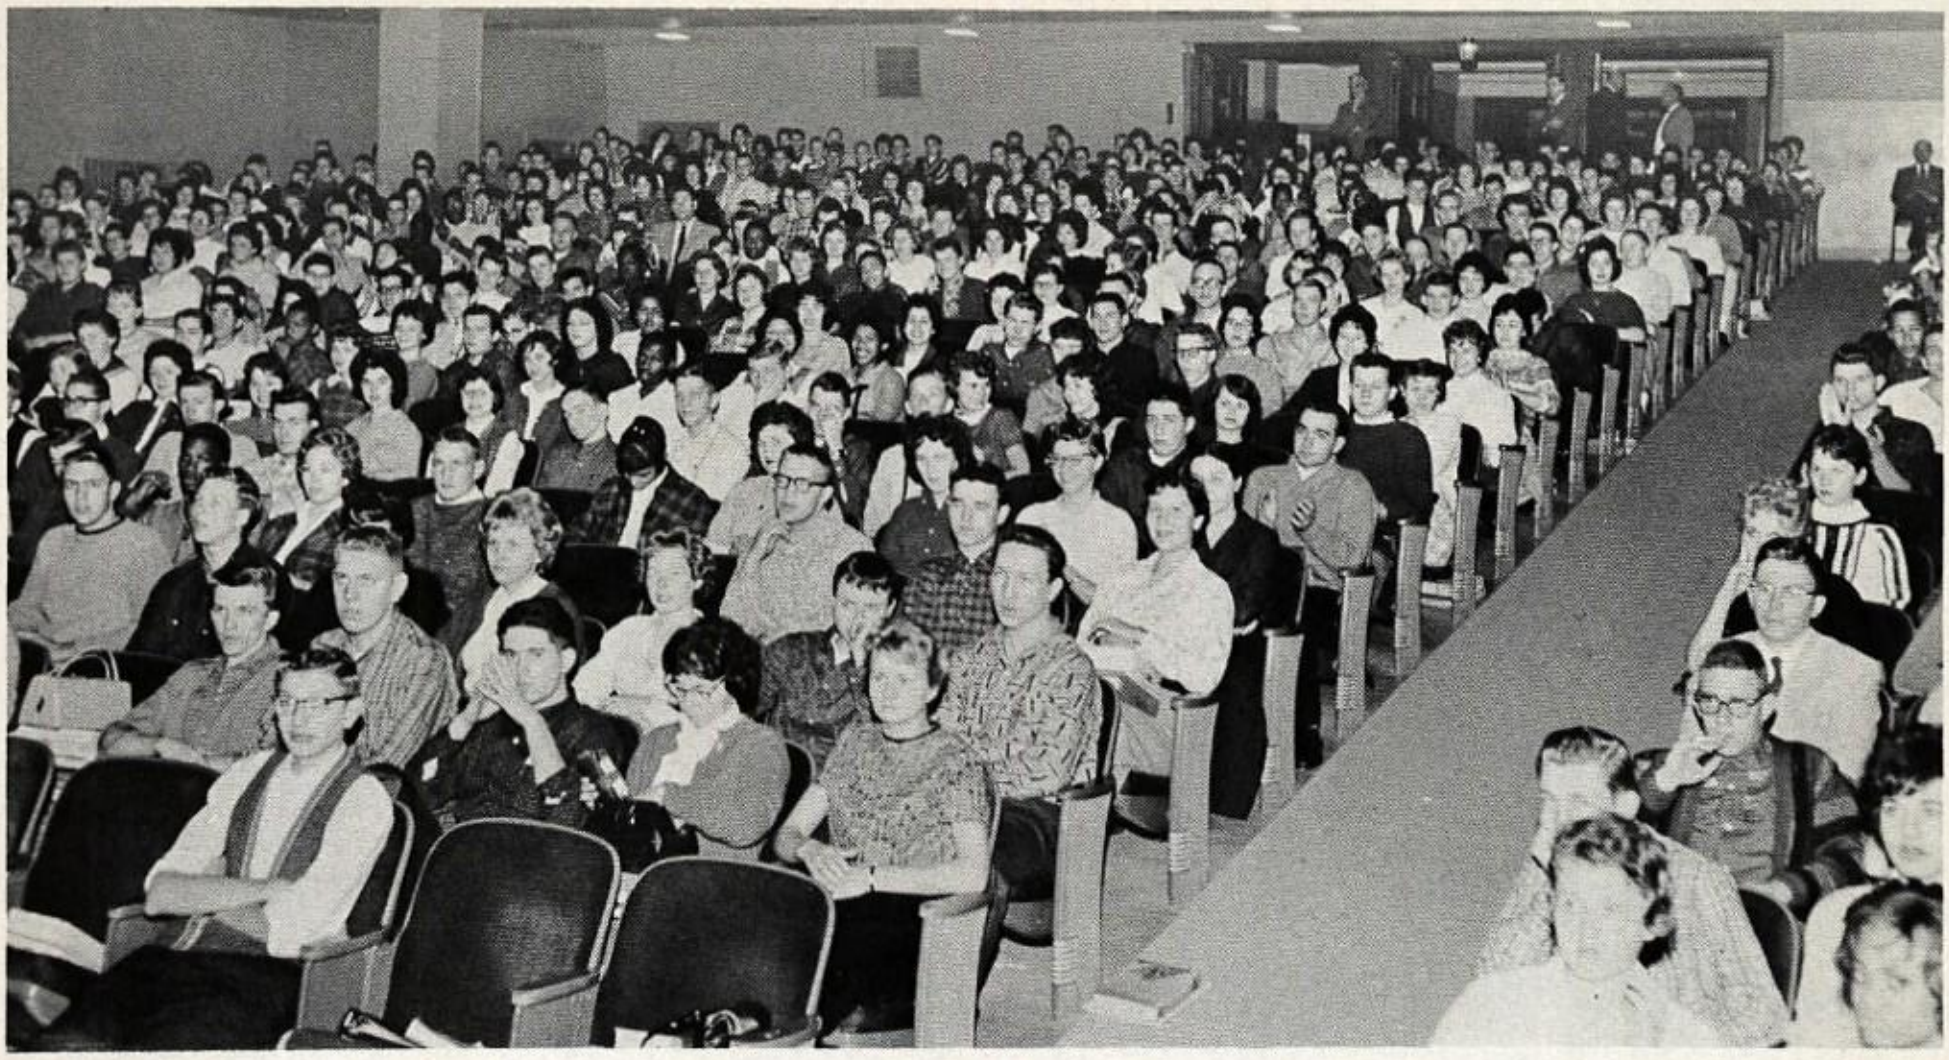
The assembly audiences of 1961 are the same courtious and interested listeners as the 1903 student body had been (Minnesota Historical Society).

The Assembly program this year was not only entertaining but in many cases informative. The assembly of students in the auditorium was witness to pep assemblies, the club assembly, Thanksgiving and Christmas assemblies, AFS assembly, the honor assembly, class play assemblies, and programs presented by the University of Minnesota for their enjoyment. In the assemblies involving outside sources we saw subjects such as otters and singers, two informative assemblies on science. The high quality of entertainment presented to the student body was the result of the fine work done by Mrs. Wannamaker.



You will now return to your . . . .

The Mankato State Choir provided an interesting assembly.



Why doesn't this wagon move?

The pictures of the Thanksgiving assembly should make us aware of the great service of the B choir in providing one of the most outstanding assemblies during the school year. This assembly like all of the assemblies offered for entertainment by varied Central student groups was symbolic of the qaulity of the programs which the student body had enjoyed the whole year.

With characters such as these how did the pilgrims and the Indians ever agree?

JUNIOR-SENIOR PROM . . .

Wandering eyes?

The bright and very colorful gowns, the gay atmosphere, and the colored lights of the Junior-Senior Prom made the theme, "Carousel", apparent. The Central students shrouded themselves in a look of maturity and their actions supported their appearance. The couples posed before the baby blue horse on the carousel, light bulbs flashed, and sweet music floated through the St. Paul Hotel. A true evaluation of the event could be given as "a well planned, well chaperoned, and costly evening."

There doesn't seem to be a wallflower at the dance!
